

BACK TO SCHOOL

# *Back to School with a Bleeding Disorder*

**August 11 or August 13, 2025**

**7:00pm-8:00pm**

**Zoom**

This event is hosted by the Bleeding Disorders Foundation of North Carolina (BDFNC) and is designed to empower families, students, and school staff with the tools and knowledge necessary to create a safe, supportive, and successful learning environment for students with bleeding disorders, from preschool through college.

What you'll learn:

- Creating effective 504 Plans
- Developing personalized Individualized Health Plans (IHPs)
- Understanding and navigating Individualized Education Plans (IEPs)
- How students, parents, families, and educators can work together as a team

Whether you're just getting started or looking to strengthen existing support, this is your opportunity to prepare, connect, and advocate for your student's success in every stage of their educational journey.

Because of expected demand, BDFNC is offering this program on two different dates. Please indicate your preferred date on your registration
