

TO REDUCE SUFFERING, THINK BLOCK!

TIMELY, TARGETED PAIN MANAGEMENT FOR PATIENTS WITH HIP FRACTURE

Regional nerve blocks offer effective and targeted pain management for patients with hip fracture.

The **Anesthesia Nerve Block Team** is available M-F, from 8 am to 4pm, to come to the ED (or elsewhere in the Medical Center) to place blocks and reduce patients' pain in a timely fashion.

To contact the team

enter *33 in Vocera

**ask for the anesthesia regional fellow or
anesthesia regional resident**
