

## Dean’s Performance Awards 2022

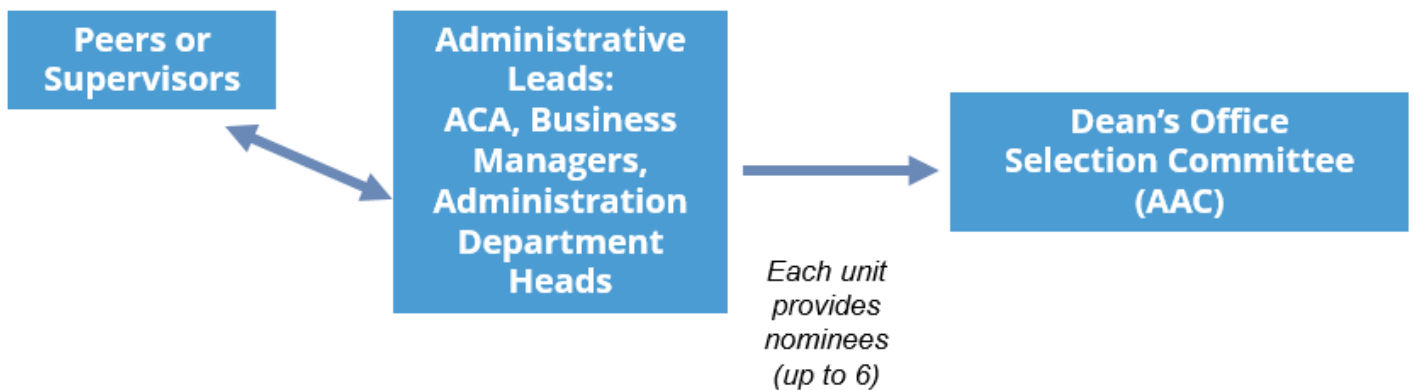

The Dean’s Performance Awards honor accomplishments of SOM staff not eligible for UNC Health Care Cash Awards. The Performance Awards will recognize individual or group efforts that make significant contributions to help us reach our vision to be the top public School of Medicine; one award will be given for each of the 6 strategic imperatives outlined in the [SOM Strategic Plan](#). Awards will be funded by the Dean’s Office.

### Eligibility Requirements

Permanent SHRA or EHRA non-faculty UNC School of Medicine employees in good standing.

### Nomination Process

Peers or supervisors may provide nominations of exceptional coworkers for the awards to their ACA, Business Managers or Administration Department Heads for submission. Each department, center or administration office will submit up to 6 nominations (1 for each of the 6 strategic plan imperatives as listed below) to the Dean’s Office for consideration. Nominees may be from outside of the nominating department, as long as the employee(s) meet the eligibility requirements.

### Approval Process

Nominations will be evaluated by the Administration Advisory Council once a year.
