Important notes about Friday, 7/29:

- The Clinical Skills Encounter (CSE) will include three rotations: an introduction to CSES and the CAE software with SIM Center staff, the clinical skills encounter with a standardized patient, and a debrief with the PCC course directors.
- The dress code for clinical skills encounters is business casual (i.e. nice slacks or skirts, button-up shirts or blouses, or dresses).
- Masks are required to be worn throughout your time in the Simulation Center.
- You will be using your SOM-issued iPad during this event. Please be sure to bring it with you to your session, and make sure that it is fully charged.
- You will receive a CSE checklist during Thursday afternoon’s PCC Clinical Skills Encounter Introduction session. Please bring this checklist with you to the event.
- Parking at the Ambulatory Care Center is restricted to patients only. Please plan accordingly.
