

#### **TITLE OF POLICY**

Extramural Electives Policy

#### **PURPOSE AND SCOPE**

The purpose of this policy is to define extramural electives. In AY 20-21, UNC MD students will be prohibited from undertaking extramural electives.

#### **RESPONSIBLE PARTY AND REVIEW CYCLE**

The Education Committee will review and approve the policy as needed.

#### **LCME REFERENCE(S)**

LCME 11.3: Oversight of Extramural Electives

#### **HISTORY OF APPROVALS AND UPDATES**

Approved by Education Committee May 2020

#### **DEFINITION(S)**

Extramural electives are those rotations done outside of UNC School of Medicine.

#### **POLICY**

UNC School of Medicine students are not allowed to do in-person away rotation through block 14 of the 20-21 academic year.

\*this policy will be enforced by not giving elective credit for away rotations and not providing malpractice coverage for away rotations.

\*\*an exemption will be made for military students with scholarship requirements for away rotations

\*\*\*It will be noted on the MSPE that away rotations were not allowed during this time.
