ONE-ON-ONE SUPPORT

See Topics in this Section

INFORMATION. RESOURCES. HOPE.

Get One-On-One Support – Speak with a Patient and Liaison Services (PALS) Associate

Our Patient and Liaison Services (PALS) program has highly trained Associates ready to help.

- PALS is a comprehensive and free information service for pancreatic cancer patients, their families and healthcare professionals.
- A PALS Associate can provide you with the most current information to help you make informed decisions. PALS has information about:
 - Treatment options
 - Clinical trials, including a personalized trials search
 - Disease information
 - Specialist physicians
 - Diet and nutrition
 - Side effect management
 - Support resources
 - And, much more

Patient and Liaison Services (PALS) Associate

Call today and speak with a compassionate and knowledgeable PALS Associate. Call as many times as you need and the same PALS Associate will help you each time so you can continue your conversation.

Monday - Friday 7 a.m. - 5 p.m. Pacific Time
Toll-free: 877-272-6226
Email: pals@pancan.org

REQUEST A COMPLIMENTARY EDUCATIONAL PACKET

Get organized after diagnosis and learn about pancreatic cancer. Our educational materials are written and designed for patients, family members and caregivers. All services and educational materials are provided at no charge.
