## POLICY AND PROCEDURE

### UNIVERSITY OF NORTH CAROLINA HOSPITALS GRADUATE MEDICAL EDUCATION POLICY ON MEDICAL LICENSE REQUIREMENTS

---

1. All residents and subspecialty residents will be required to have a resident training license or a permanent medical license issued from the North Carolina Medical Board.
2. It is the requirement of the State of North Carolina that all medical licenses be registered annually.
3. It is the policy of UNC Hospitals that licenses must be registered by the date of birth of the individual physician.
4. If the license is not registered by the date of birth, then the resident will be removed from all clinical duties and will forfeit the resident's pro rata stipend payments during the time his/her license has not been registered.
5. UNC Hospitals Office of Graduate Medical Education will notify the physician, program directors and program coordinators at least 30 days prior to the expiration date of any license.
6. All residents who engage in any type of moonlighting must have a full, unrestricted license, as one of the requirements for eligibility to moonlight.
7. All faculty members who supervise residents must have a full, unrestricted medical license from the North Carolina Medical Board.
