

PEDIATRIC STROKE RESOURCES

THE INTERNATIONAL ALLIANCE FOR PEDIATRIC STROKE (IAPS) **WWW.IAPEDIATRICSTROKE.ORG**

The International Alliance for Pediatric Stroke is dedicated to building awareness, expanding education, and advancing research on behalf of children and their families, leading to a timely diagnosis, treatment, and prevention of pediatric stroke.

Access IAPS Here:

UNC COMPREHENSIVE STROKE CENTER **WWW.MED.UNC.EDU/NEUROLOGY/DIVISIONS/STROKE/**

The UNC Comprehensive Stroke Center is committed to providing high quality, comprehensive stroke care to the people of North Carolina. Our goal is to advance health research and to provide community service through stroke education and prevention. Our academic mission is to train the next generation of stroke specialists.

About PEEPS

The Project for Expansion of Education in Pediatric Stroke (PEEPS) is a grant-funded project in partnership with the International Alliance for Pediatric Stroke to develop educational resources for providers, patients and families.

About CAST

Carolina Acute Stroke Training (CAST) are modules developed to educate health care workers on stroke care. The modules range from basic to advanced levels and are available free of charge, 24 hours a day, 7 days a week. CAST includes a pediatric stroke module that can be accessed either individually or in combination with the other modules.

Access PEEPS Here:

PEDIATRIC STROKE RESOURCES

THE AMERICAN HEART/AMERICAN STROKE ASSOCIATION (AHA/ASA)

WWW.STROKEASSOCIATION.ORG

WWW.STROKE.ORG/EN/ABOUT-STROKE/STROKE-IN-CHILDREN

The AHA/ASA serves consumers (stroke survivors, caregivers and family/friends of those affected by stroke), healthcare professionals, organizations, hospitals and all Americans interested in receiving information about stroke. A scientific statement on the management of stroke in neonates and children is available here:

<https://www.ahajournals.org/doi/10.1161/STR.0000000000000183>

WORLD PEDIATRIC STROKE ASSOCIATION

WWW.WORLDPEDIATRICSTROKEASSOCIATION.ORG/

Brendon's Smile is dedicated to increasing awareness and knowledge among both the general public and medical professionals about strokes and cerebrovascular disease in the unborn, newborns and children up to 18 years of life.

CROSSWAY PEDIATRIC THERAPY

WWW.CROSSWAYTHERAPY.COM

WWW.CROSSWAYTHERAPY.COM/SUMMER-CAMP.HTML

WWW.CROSSWAYACADEMY.COM/

Crossway Pediatric Therapy in Charlotte, NC offers home-based, community and clinic based speech, physical and occupational therapy. Crossways Pediatric Therapy offers a Constraint Induced Movement Therapy (CIMT) camp to assist children with hemiparesis to become more willing to use their affected side. Crossway Academy is a clinic-based school specifically designed for children in grades K-8 with unique learning profiles that may benefit from a therapy-based approach to education. Education is provided by qualified special education teachers that are dedicated to this mission.

HELPING KIDS WITH HEMIPLEGIA CAMP

WWW.UNCCHILDRENS.ORG/UNCMC/UNC-CHILDRENS/CARE-TREATMENT/THERAPY/HEMIPLEGIA-CAMP/

A therapeutic day camp for kids ages 4 to 10 with a diagnosis of hemiplegic cerebral palsy. The camp is staffed by licensed occupational and physical therapists and student volunteers and incorporates modified constraint-induced movement therapy into fun, goal-oriented games and activities.

PEDIATRIC STROKE WARRIORS

WWW.PEDIATRICSTROKEWARRIORS.ORG/

Pediatric Stroke Warriors is committed to serving the needs of children, their families and the medical professionals involved in their care. The organization is dedicated to a mission of building awareness for pediatric stroke among general and medical communities alike, and hope and support to all impacted children and their families.
