

## **FOUNDATIONS IN GLOBAL HEALTH: BOOKS AND MOVIES FOR REFLECTION PAPERS:**

This list represents suggestions for books and movies for reflection papers and further learning. Most are available through the Office of International Activities (1066 Bondurant) on loan (may borrow for two weeks, and renew up to a month at a time). But don't feel limited by this! If you have another book/movie you would like to review and write on, discuss it with one of the course faculty.
