CERTIFICATE FOR BEQUEATHING BODY BY NEXT-OF-KIN

In compliance with the Uniform Anatomical Gift Act of the North Carolina General Statutes please complete:

As next-of-kin*, as defined in N.C.G.S. § 130A-404, I_____
(print name)
hereby donate the unembalmed body of _____ to The University of North Carolina School of Medicine's Body Donation Program for scientific study and research.

Medical Information Release:

I hereby authorize the release of the deceased's _____ Protected Health Information to UNC School of Medicine and its Body Donation Program and the applicable crematory in order that it may facilitate the donation of his/her body and cremation of his/her remains. In addition, I give the Body Donation Program permission to release the deceased's medical information to their faculty, staff, and applicable crematory when needed in order to facilitate the preparation and study of the deceased's remains and cremation.

Disposition of ashes:

Upon completion of studies the remains will be reduced to ashes (cremated) and the ashes will be returned to me.

***Definition of Next-of-Kin:**

North Carolina General Statutes (130A.404) defines next-of kin in this order as: (1) The spouse; (2) An adult child; (3) Either parent; (4) An adult sibling; (5) A guardian of the person of the decedent at the time of the decedent's death; or (6) Any other person authorized or under obligation to dispose of the body.

AUTHORIZATION FOR RELEASE OF MEDICAL INFORMATION

In connection with the donation of the body of the donor listed below for medical education purposes, I authorize the Body Donation Program of the University of North Carolina at Chapel Hill School of Medicine to use or disclose the protected health information of

Donor Name:_____Date of Birth:_____/_____/_____

Address:_____City:_____State:____Zip Code _____

Telephone: (___) _____Social Security # (voluntary):_____

UNC HCS Medical Record # (if applicable) _____

to the following classes of individuals or entities: students, faculty and staff of the University of North Carolina School of Medicine, governmental or regulatory agencies, if necessary for public health purposes to report any information about his/her medical status at the time of his/her death, and/or the applicable crematory which will cremate his/her remains.

Information to be disclosed may include: Death certificate or other information relating to the cause of death of the donor, or any information discovered in the course of studying the donor's body. I acknowledge that the data to be released MAY INCLUDE INFORMATION PROTECTED BY LAW. MY SIGNATURE BELOW AUTHORIZES INCLUSION OF INFORMATION PERTAINING TO HIV/AIDS AND OTHER COMMUNICABLE DISEASES. The purpose of the use or disclosure is to facilitate the use of the donor's body for medical education and the cremation of his/her remains.

I understand that:

- I may revoke this Authorization at any time:
  - the revocation will not apply to information that has already been released in response to this Authorization
  - I must revoke this Authorization in writing. The procedure for revoking this Authorization is to present my written revocation to the Medical Information Management Department.
- I may refuse to sign this Authorization:
  - UNC Health Care System will not condition my treatment, any payment, enrollment in a health plan, or eligibility for benefits on receiving my signature on this Authorization.

I have been informed and understand that information disclosed pursuant to this Authorization may be subject to redisclosure by a recipient of such information. It is possible that once disclosed, the privacy of the information may no longer be protected under federal medical privacy law.

Unless otherwise revoked, this authorization will expire upon the return of the donor's cremated remains to his/her family.

I have read and understand the information in this Authorization form.
