

UNIVERSITY Research WEEK

Events Featuring the School of Medicine

Don't miss these events during this annual, campus-wide celebration of research at UNC

10/19 **TraCS Be Nimble, TraCS Be Quick—UNC CTSA Enables Rapid Response to COVID-19**

11:45AM [Click Here to Register](#): A discussion with TraCS experts and researchers about how one of the nation's leading CTSA's has accelerated the COVID-19 research response. Includes **Dr. Clare Harrop** and **Dr. Erica Brenner**.

10/19 **Hettleman Talks**

3PM [Click here to Register](#): TEDX-style presentations from this year's Hettleman Prize Winners including **Dr. Angela Smith**.

10/19 **PharmAlliance Month Keynote Seminar**

4PM [Click Here to Register](#): **Dr. Bryan Roth** will give a keynote research seminar titled "New Chemical and Synthetic Biology Technologies for Neuroscience Drug Development" to celebrate the PharmAlliance strategic partnership.

10/20 **Postdoctoral Awards for Research Excellence**

3PM [Click Here to Register](#): Meet this year's winners recognized for their research promise, including **Dr. Margeaux Wetendorf**, **Dr. Kathryn Gunn**, and **Dr. Liujiang Song**, and hear about their research activities.

10/21 **Human Nature Panel Discussion: Editing Along Ethical**

11AM [Click Here to Register](#): Join **Dr. Terry Magnuson**, **Dr. Eric Juengst**, and other panelists for a discussion about how UNC researchers are using CRISPR in their research, how data scientists are powering their breakthroughs, and the ethical implications all must consider.

10/21 **From Research To Rapid Response: Case Studies of University -Agency Partnerships in Response to COVID-19**

12PM [Click Here to Register](#): Panelists including **Dr. Erin Fraher** and **Dr. Jacquie Halladay** will discuss how the UNC Sheps Center for Health Services Research was well-equipped to assist the state during the COVID-19 pandemic.

10/21 **Jefferson-Pilot Fellowships in Academic Medicine and James. W. Woods Junior Faculty Award Seminar**

1PM [Click Here to Register](#): **Dr. Jimena Giudice** and **Dr. Zoe McElligott**, recipients of this year's Jefferson-Pilot Fellowships in Academic Medicine and **Dr. Jackie Patterson**, recipient of the James. W. Woods Junior Faculty Award will give 15-minute talks about their research.

10/21 **Advancing Health Equity Solutions at UNC**

3PM [Click Here to Register](#): **Dr. Carmen Samuel-Hodge** will receive the Gillings Health Equity Faculty Research Award and provide a presentation during this session. Her presentation will be followed by talks from **Dr. Lauren Brinkley-Rubinstein** and others.

10/21 **Tackling COVID-19: UNC Researchers Collaborate to Deliver**

5:30PM [Click Here to Register](#): Join UNC researchers for an insider's discussion moderated by UNC alum **Dr. Kizzmekia Corbett** on Carolina's sustained, holistic response to the COVID-19 pandemic featuring an expert panel of dynamic frontline researchers, including **Dr. Melissa Miller**.

10/28 **Marginalized, Stigmatized and Vulnerable: Addressing the Intersection of Homelessness, Mental Illness and Atypical Sensory Processing in the Age of COVID-19**

11:30AM [Click Here to Register](#): As part of the Department of Allied Health Sciences October Research Forum, **Dr. Antoine Baillard** will present an overview of three current research projects involving adults with serious mental illness in community settings.
