Course Description

The 45th Annual R. Beverly Raney Lecture and Orthopaedic Conference is an educational event targeted at orthopaedic surgeons. This event gives learners the opportunity to learn about latest research innovations, advances in surgical techniques, and changes in the orthopaedic practice environment. The highlight of the event is the R. Beverly Raney Lecture, which will be delivered by Dr. Ken Yamaguchi, world-renowned surgeon and researcher, and Head of the Shoulder and Elbow Service at Washington University on the topic of Rotator Cuff Advancements.

Orthopaedic Conference Agenda
Friday, June 3, 2016
1:00 pm
Presentation of Chief Residents’ Research Papers
Paul S. Weinhold, Ph.D., Moderator
The Effect of a Mandatory Preoperative Smoking Intervention on Perioperative Tobacco Consumption
Matthew Avery, M.D.
Proximal Humeral Locking Plates: Implications of the Anatomic Placement and Screw Number
Eddie Hasty, M.D.
Surgical Trends in Treatment of Meniscus Tears: Analysis of Data from the American Board of Orthopaedic Surgery Certification Examination Database
Benjamin Parker, M.D.

2:30 pm
Coffee

3:00 pm
Presentation of Chief Residents’ Research Papers (cont’d)
Are Clinic Wait Times and Time-with-Surgeon Associated with Patient Satisfaction Among Orthopaedic Patients?
Brendan Patterson, M.D.
Submuscular Versus Subcutaneous Ulnar Nerve Transposition: A Cadaveric Model Evaluating Their Utility in Primary Ulnar Nerve Repair at the Elbow
Brandon Smetana, M.D.

4:00 pm
Presentation by Ken Yamaguchi, MD, MBA.
The Natural History of Rotator Cuff Disease

Saturday, June 4, 2016
8:30 am
Breakfast

9:00 am
Case Presentations by UNC residents: Shoulder Dysfunction – Diagnosis and Management

10:15 am
Navigating the Alternative Payment Universe
Joseph A. Bosco, M.D.

10:30 am
Co-management Arrangement
Brandon D. Bushnell, M.D.

10:45 am
Creativity in Medicine
Frank C. Wilson, M.D.

11:00 am
THE FORTY-FIFTH ANNUAL R. BEVERLY RANEY LECTURE:
Ken Yamaguchi, MD, MBA
Personal and Career Development

Ken Yamaguchi, MD, MBA
Sam and Marilyn Fox Distinguished Professor of Surgery
Washington University
Keynote Speaker

Target Audience
This event is intended for orthopaedic surgeons, advanced practice providers and other healthcare professionals with an interest in orthopaedic surgery.

Learning Objectives
At the end of this activity, participants should be able to:
- Identify the evolution of practice for the treatment of rotator cuff injuries and current best practices
- Determine how to implement co-management agreements in orthopaedic practices
- Evaluate the impact of patient waiting on patient satisfaction scores.
- Review current research findings related to orthopaedic surgical techniques

Credit Designation
Charlotte AHEC designates this live event for a maximum of 5.5 AMA PRA Category 1 Credits™. Physicians should only claim the credit commensurate with the extent of their participation in the activity.

Accreditation
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of Charlotte AHEC and UNC - Chapel Hill – Department of Orthopaedics. Charlotte AHEC is accredited by the ACCME to provide continuing medical education for physicians.

The Charlotte Area Health Education Center (AHEC) designates this continuing education program as fulfilling the requirement for a maximum of .55 Continuing Education Units (CEUs), representing 5.5 contact hours.

Locations and Parking
Conference Location:
University of North Carolina – Chapel Hill,
Medical Biomolecular Research Building – G202
111 Mason Farm Road, Chapel Hill, NC 27599
Building 34

Cocktail Reception:
Ackland Art Museum
101 S Columbia St, Chapel Hill, NC 27599
