## Virtual Open House

You're invited to join us for a virtual open house hosted by our Program Director, Dr. Bob Esther, and current residents.

Please register in advance for this meeting:  
[UNC Virtual Open House 2022](#)

This opportunity will allow medical students to:

- Learn what our program has to offer
- Get to know our program and residents
- Learn more about UNC Chapel Hill and living in surrounding areas

Program Highlights:

- 5 Residents per year
- One separately matched research track
- Orthopaedic Skills Lab
- Beautiful college town
- Halfway between beach and mountains
