AAOE is where you start or continue your journey to mastering the business of an orthopedic practice.

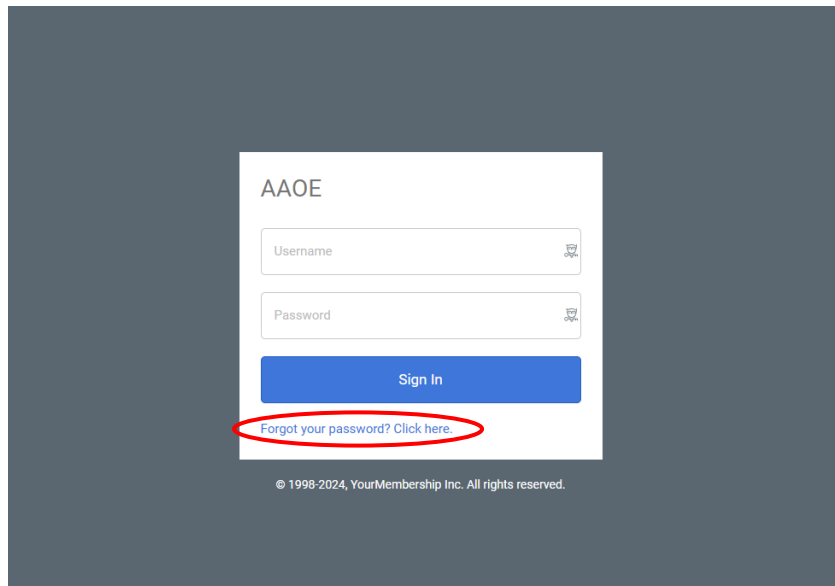

The AAOE Learning Center is a dynamic and innovative hub for education and training for orthopedic practice management. From webinars and courses to conference recordings and certificate programs, there are numerous opportunities for individuals to enhance their knowledge and skills in areas such as coding and compliance, revenue cycle management, leadership and staff development, and strategic planning.

Here are just a few of the opportunities available:

- Casting, Splinting and Soft Goods Program
 - CMS BPCI Advanced Extension, Should Your Practice Participate?
 - 2023 AAOE Annual Conference recordings
 - Customer Service for Orthopedic Practices
 - Active Shooter Training
 - Foundations of Practice Management
- Alternatively, you can go directly to the AAOE Learning Center by visiting <https://education.aaoe.net>.

- Locate the "Login" button in the upper right corner of the page and click on it.
- Log In: You will be redirected to a login screen. Use your AAOE.net credentials to sign in.

- If you have forgotten your password, you will click “Forgot your password? Click here.” This will bring you to the AAOE site to reset your password

Forgot your Username or Password?

Please type your username or email address below and click "Reset Password." You must provide the **email address** or **username** associated with your member profile. Once submitted, an email will be sent to the email address on file and will include a link back to the site to reset your password.

If an email address or username is submitted that the system does not recognize, no error message will appear nor will you be sent a follow up email.

Username or Email:

RESET PASSWORD

CANCEL

Upon submitting a valid username or email address, an email will be sent to the address associated with your profile. The email will contain a link back to our website which will allow you to reset your password.

You may need to check your email program's SPAM filter as this "Reset Password" email may be treated as SPAM.

Please Note: Password reset email links expire after 24 hours.

- **If you need any assistance with your log in, please contact info@aaoe.net.**

Purchasing the Casting and Splinting Course

- When logged into the AAOE Learning Center, you will see the full catalogue of courses. Casting and Splinting is a Featured Course, so you should see that front and center. You can also use the “Search” bar to search by course name, keyword or topic.

AAOE Casting and Splinting Program

Description ⊖ Add to Cart

The AAOE Casting and Splinting Program is designed for practices seeking to train their casting staff in a standardized way. Upon completion of the program, participants will receive a transcript and certificate that specifies which casts and/or splints were completed in the program. The casts selected are based on the recommendations of subject matter experts from orthopedic practices from across the country.
