Right to Confidential Communications

**APPLICABILITY:**

This policy applies to the following entities (collectively referred to as "UNC Health Care System" or "UNCHCS" in this policy):

- UNC Health Care System/UNC Medical Center
- UNC Physicians Network
- UNC Physicians Network Group Practices
- Rex Healthcare / Rex Hospital
- Chatham Hospital
- Caldwell Memorial Hospital
- UNC Rockingham Health Care / UNC Rockingham Hospital
- Johnston Health
- Lenoir Memorial Hospital
- Margaret R. Pardee Memorial Hospital
- Nash Healthcare System / Nash Hospitals
- Wayne UNC Health Care

* UNC Medical Center includes all UNC Hospitals’ facilities and the clinical patient care programs of the School of Medicine UNC-Chapel Hill (including UNC faculty physicians).

**I. Description**

UNCHCS and its Members shall allow patients to request to receive reasonable confidential communications of their PHI, either by alternative means or at alternative locations.

Included within the scope of this policy are the patient care programs of the UNC School of Medicine (UNC SOM). As a result, this policy shall apply to all UNC SOM personnel, including but not limited to faculty, staff, students, trainees, interns and volunteers who may be full-time, part-time, paid or unpaid who create, store, transmit, access or use any patient information in support of clinical purposes for UNCHCS or any other healthcare entity.

**II. Policy**

A. **Requests for Confidential Communication.** UNCHCS will consider reasonable requests made by patients to receive confidential communications. Patients may use the Request for Confidential
Communications Form to submit a request for confidential communications. Examples of confidential communication may include a patient's request that they be contacted via a specified telephone number, fax number, or at an address other than their home address.

B. Requests that are Unreasonable. If a patient's request is unreasonable, the patient shall be notified in writing of the reasons for denial, and the patient shall have the opportunity to revise his or her request in order to make it reasonable.

C. Purpose of Request is Not Required. The patient shall NOT be required to provide an explanation as to the basis for the request as a condition for making such request.

D. Decision Making Authority to approve/deny requests. The following individuals shall each independently have final authority to approve and/or deny requests

1. UNCHCS Executive Director of HIM or appropriate designee;
2. UNCHCS Chief Privacy Officer (or designee) for UNCHCS Facilities; or
3. UNCHCS Facility Privacy Officer (for all UNCHCS Managed Facilities).

E. Approval of Requests may be Conditional. The granting of the request to receive confidential communication may be conditioned on the receipt of information regarding how payment will be handled and how to contact the patient.

F. Notification of Approval or Denial. Approval or denial of a request for confidential communication shall be communicated to the patient in writing or in another manner consistent with the alternative means set forth by the patient in the Request for Confidential Communications Form.

G. Documentation. The request shall be documented in the patient's medical record and all future confidential communications shall be made pursuant to the patient's request.

H. Review of Requests for Confidential Communications. All requests for confidential communication shall be reviewed and approved or denied by appropriate UNCHCS Health Information Management staff.

I. Verify Identity and Authority: Make reasonable efforts to verify the identity of a person requesting the restriction, and if not the patient, their relationship to the patient and authority to make the request. See UNCHCS Verification of Identity Policy. If a patient or legal representative has documents to corroborate identity or authority, attach copies to the Request form.

J. Provide Assistance: Assist the patient or representative to complete a Request for Confidential Communications Form.

K. Response Coordination: If a request requires assistance from the Privacy Office, forward the completed Request form to the appropriate UNCHCS System or UNCHCS Facility Privacy Office.

L. Documentation of Response. After the UNCHCS HIM Department approves or denies a request, the HIM staff will notify the patient of the decision and the reason(s) on the Response to Request for Confidential Communications form or in a letter. HIM shall place copies of the request and the response in the patient's health record.

M. Additional Actions. HIM shall also:

1. Indicate the alternative communication arrangements in the patient's medical record; and
2. Ensure that all staff affected by the communication change are aware of the change to ensure that the request is implemented in operational activities.
III. Definitions

Confidentiality – means the property that data or information is not made available or disclosed to unauthorized persons or processes. [45 CFR 164.304.]
