Samulski Lab

take sure door is shut
push the door shut or it may
close completely.
THANKS!!

ALL Shakers USERS,
Please, put your NAME
to the ALL flasks, tubes
and plates.
Thank you very much

The warm room is a SHAKER
RESOURCE. Common etiquette
is to TURN SHAKERS BAG
after you remove your samples
from them. PLEASE
screwing up other people's
experiments and time by
doing this.

TURN OFF LIGHTS
WHEN LEAVING

Environmental
Specialties, Inc.

Please make sure door is closed
to avoid the door being closed
when you are not
THANKS!

is a SHARED
BACK ON
PLEASE

THE
WARM ROOM

CAUTION
RADIOACTIVE
MATERIAL

The warm room is a **SHARED RESOURCE**. Common etiquette is to **TURN SHAKERS BACK ON** after you remove your samples from them. **PLEASE** stop screwing up other people's experiments and time by not doing this.
