Please respond to the following questions to tell us more about your interest in the Center of Excellence for Eating Disorders Summer Research Fellowship:

Tell us a bit more about your decision to apply to work at CEED this summer:

Statement of consideration (first generation college student, DACA, underrepresented minority):

Why are you interested in eating disorders research?

What makes you interested in working at CEED specifically?

Are there specific experiences that you hope to have or skills you hope to gain while working at CEED?

Describe any previous research experience you have had:

Describe your experience with conducting statistical analyses and your familiarity with statistical analysis software:

Describe any experience you've had working with research study data (e.g., data management):

Describe any previous experience you may have in scientific manuscript writing:

What additional skills, experiences, or qualifications do you have that would make you an ideal candidate for the Summer Research Fellowship?

What are your future career plans or goals, and how would this research training opportunity assist you in working toward those goals?

Please list any experiences, if applicable, that you may have had within the eating disorder field:

Are there specific **research projects** at CEED you are particularly interested in working on? Are there specific **faculty** you are interested in working with (please note only research faculty work with summer fellows and not all faculty are available to mentor summer fellows. Please review our website to see our research faculty bios.)? Why?

Thank you for applying. We will contact you for an interview if you are selected for the second round of the application process.
