

Internship Admissions, Support, and Initial Placement Data

University of North Carolina School of Medicine

Clinical Psychology Internship

Date Program Tables Were Updated: September 12, 2022

Program Disclosures

Does the program or institution require students, trainees, and/or staff (faculty) to comply with specific policies or practices related to the institution's affiliation or purpose? Such policies or practices may include, but are not limited to, admissions, hiring, retention policies, and/or requirements for completion that express mission and values?	<p style="text-align: right;">_____ Yes __X__ No</p>
If yes, provide website link (or content from brochure) where this specific information is presented:	
n/a	

Program Admissions

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the program's policies on intern selection and practicum and academic preparation requirements:
<p>Applicants must be from APA- or CPA-accredited programs.</p> <p>Applicants must have completed at least three years of graduate training. Comprehensive exams must have been passed by the application deadline, and the dissertation proposal passed by the start of the internship.</p>

Does the program require that applicants have received a minimum number of hours of the following at time of application? If Yes, indicate how many:			
Total Direct Contact Intervention Hours	Yes		Amount: 400
Total Direct Contact Assessment Hours	Yes		Amount: 100

Describe any other required minimum criteria used to screen applicants:

Prior to the start of the internship year, a criminal and background check will be completed for each intern. In order to start the internship, the results from the criminal and background check must meet UNC requirements for working with patients.

Applicants who are not U.S. citizens must be eligible for and receive a U.S. visa for the internship year.
