

## INFORMATION SHEET

# 2025 PSYCHIATRY CAREERS PATHWAY PROGRAM

**A workforce development program designed to introduce undergraduate students to medical careers in psychiatry. The inaugural summer cohort in 2025 was selected from applicants attending local public universities in North Carolina.**

### PARTICIPANT EXPECTATIONS

- Attend the full two-day on-campus summer experience
- Provide feedback in one focus group and two paper surveys during the program\*
- Complete a 3-month post program survey\*

*\*Surveys and focus groups are voluntary for participants but highly encouraged.*

### PROGRAM FEATURES

- Panel discussions with psychiatry faculty and residents
- Networking opportunities with peers and mentors
- Insight into the medical school admission process
- Guided tour of UNC School of Medicine
- Professional development workshops

### COLLABORATIVE PROGRAMMING

PCPP is provided through collaborative efforts between the UNC Department of Psychiatry's ACCESS Mental Health, the UNC Health Community Health & Engagement Department, and the UNC Medical Education Development (MED) Program.

### BENEFITS

- Gain valuable career insights
- Enhance career confidence
- Contribute to advancing mental health education
- Networking and professional development
