

# 2026 PCPP Application

Thanks for your interest in applying to the 2026 Psychiatry Careers Pathway Program at UNC-Chapel Hill! **The Psychiatry Careers Pathway Program (PCPP)** is a 5-day on-campus summer experience on **June 15-19, 2026** for undergraduate students considering psychiatry as a potential career path. Student participants will hear directly from UNC Psychiatry faculty and resident physicians about the professional opportunities and paths that modern psychiatric medicine provides, observe mock patient interviews and treatment planning, as well as engage in discussions with medical students and educators about the medical school admission process. The program will be held in-person on UNC Chapel Hill's medical school campus, and complimentary lodging, parking, breakfast, and lunch will be provided. This program is a collaboration between the UNC Department of Psychiatry's ACCESS Mental Health, UNC Health's Community Health & Engagement Department, and the UNC Medical Education Development (MED) Program.

## Eligibility Requirements:

- Have an interest in attending medical school and open to considering psychiatry as a medical specialty
- Be a student enrolled at one of the following universities: Elizabeth City State University, Fayetteville State University, NC A&T State University, NC Central University, NC State University, UNC Greensboro, UNC Pembroke, Western Carolina University, and Winston-Salem State University
- Be a current first-year or second-year student at the time of application with a cumulative academic GPA of 2.75 or higher
- Be able to attend the entirety of the 5-day program and provide your own transportation to UNC's campus.
- Be a US citizen or Permanent US Resident. Any visa type that is NOT a permanent resident alien is ineligible.

**Application opens:** December 1, 2025

**Application closes:** March 1, 2026
