Two Day Workshop *(both days required)*
Part I: October 30 (9am - 1pm)
Part II: November 27 (9am - 5pm)

**Location**
3005 Michael Hooker Research Center

**Presenter**
Carol E. Lorenz, PhD

Join this two-part workshop focused on preparing and submitting proposals for K awards through the National Institutes of Health (NIH).

The workshop is designed so that participants have time to work on appropriate parts of their own proposals during the sessions. You will have the opportunity to receive feedback from your peers and from the workshop leader. Much of what will be covered in the sessions will help you clarify your thoughts and move your proposal along.

**Registration:** http://tinyurl.com/y8lb7kss

Cost *(for both days total)*
-$50 (General Registration)
-$40 (CHER Associates, Affiliates, and Staff)

**Questions?** Contact Rachel Quinto
