# Sexual and Gender Minority Research Activities at the NIH

## Lecture and workshop with Dr. Karen Parker

The UNC LGBTQ Health Disparities Research Collaborative is pleased to host Dr. Karen Parker, Director of the Sexual & Gender Minority Research Office at the NIH for a lecture on February 7, 2019 on the priorities and funding scope of NIH's strategic plan to advance SGM health.

On February 8, Dr. Parker will lead a workshop for students and junior investigators on grants-personship at the NIH.
