

CURRICULUM VITAE
Rebecca L. Walker, Ph.D.
Professor
Department of Philosophy
Department of Social Medicine
University of North Carolina at Chapel Hill

Education

Greenwall Foundation Post-Doctoral Fellowship, Johns Hopkins University, Bioethics and Health Policy, September 1999-June 2001
Ph.D., Stanford University, Philosophy, Dissertation: Moral Variety and Plural Theories September 1998
M.A., Stanford University, Philosophy, June 1993
A.B., Stanford University, American Studies, June 1991

Professional Experience at University of North Carolina at Chapel Hill

Diversity and Inclusion Liaison to the School of Medicine, July 2023 – July 2024
Faculty Associate, Psychiatry, Philosophy and Mental Health Program, August 2022 - present
Professor, Department of Philosophy, July 2020 – present
Adjunct Professor, Department of Public Policy, July 2019 – present
Professor, Department of Social Medicine, October 2018 – present
Core Faculty, Center for Bioethics, July 2010 – present
Adjunct Associate Professor, Department of Philosophy, May 2011 – September 2018
Associate Professor, Department of Social Medicine, May 2011 – September 2018
Co-Director for Education, Hospital Ethics Service, June 2010 – July 2015
Assistant Professor, Department of Social Medicine, July 2003 – April 2011
Adjunct Assistant Professor, Department of Philosophy, July 2003 – April 2011

Additional Professional Experience

Visiting Assistant Professor, University of Michigan, Department of Philosophy, September 2001-June 2003
Project Director, University of Michigan, Life Sciences, Values and Society Program, September 2001-June 2003
Core Faculty, University of Michigan, Bioethics Program, September 2001-June 2003
Greenwall Fellow in Bioethics and Health Policy, Johns Hopkins University, Bioethics Institute, September 1999-August 2001
Adjunct Assistant Professor, Johns Hopkins University, Master of Literature and Arts Program, January 2001-May 2001
Bioethics Consultant, Institute of Medicine, Health Sciences Policy Division, 2000-2001
Research Fellow, Institute of Medicine, Health Sciences Policy Division, June 2000-August 2000
Lecturer, University Honors College, Arizona State University, August 1998-May 1999

Honors and Awards

Tyson Academic Leadership Fellow, Institute for the Arts and Humanities, UNC, 2025-2026
 Faculty Fellow, Institute for Arts and Humanities, UNC, Fall 2024
 Competitive Senior Research and Scholarly Leave, UNC, July-December 2022
 Fellow, The Hastings Center, October 2021 – life
 Member, School of Medicine Academy of Educators, UNC, May 2010 – present
 Fellow, The Parr Center for Ethics, UNC, 2005 – present
 Faculty Fellow, Institute for Arts and Humanities, UNC, Fall 2015
 Junior Faculty Development Award, UNC, 2008 – 2009
 Faculty Fellow, Institute for the Arts and Humanities, UNC, Fall 2004
 Outstanding Graduate Student Paper, *Between Theory and Anti-Theory: Taking the Variety in Moral Experience Seriously*, Pacific Division of the American Philosophical Association, May 1997

Bibliography and Scholarly Products

Books and Chapters

Walker RL. 2025. [*Of Mice and Primates: Virtue Ethics and Animal Research*](#). Oxford University Press.

Walker RL. 2024. [*Physicians and Punishment: Ethics beyond oaths and codes*](#). *Oxford Handbook of the Philosophy of Punishment*. Ryberg J, editor. Oxford: Oxford University Press, pp. 674-689.

Walker RL. 2024. [*Biomedical research using nonhuman animals: Ethics and translational value*](#). *Oxford Handbook of Research Ethics*. MacKay D and Iltis AS, editors. New York: Oxford University Press, pp. 880-896.

Peer Refereed Solicited Presentations (selected)

“Genetic Enhancement in a One Health World.” Paper Presentation. Society for the Social Studies of Science. Amsterdam, Netherlands. July 16-19, 2024.

“Health Justice: Basic Income, Inequality, and Genetic Enhancement.” Panel (talk delivered by co-author, Douglas MacKay). Philosophy, Politics and Economics conference. New Orleans, Nov. 2-4, 2023.

“One health, one ethic? Confronting the disunity of ethical oversight for human and nonhuman animal research.” Paper Presentation. American Society for Bioethics and the Humanities. Portland, OR. Oct. 26-29, 2022.

“How researchers construct ethical narratives for negative animal experiences.” Paper Presentation (co-author JA Fisher). American Society for Bioethics and the Humanities. Portland, OR. Oct. 26-29, 2022.

“Translational value and oversight of biomedical research using live vertebrate animals: A survey of US researchers.” Paper presentation. American Society for Bioethics and the Humanities. Online event due to COVID-19 pandemic. Oct. 2021. Rebecca L. Walker, Katherine W. Saylor, Margaret Waltz, and Jill A. Fisher (presented by Katherine Saylor).

“How researchers construct ethical narratives for negative animal experiences.” Paper Presentation (co-author JA Fisher). American Society for Bioethics and the Humanities. Baltimore, MD. Oct. 15-18, 2020 [Moved online due to COVID-19 pandemic; presentation declined].

“Phase I Healthy Volunteer Trials: A Structurally Responsive Ethical Framework for Human Subject Protections.” Paper Presentation (co-authors: D MacKay, M Waltz, A Lyerly, JA Fisher). World Congress of Bioethics. Philadelphia, PA. June 19-21, 2020 [Moved online due to COVID-19 pandemic; presentation declined].

“Blurring the Lines of Animal “Waste” as an Unethical Biomedical Research Practice.” Paper presentation (co-author JA Fisher). Conference on Animals in Ethnography: Methods and Ethical Positioning. Paris, France. Nov. 21-22, 2019.

“Pain and Distress as Disruptions to Animal Researcher Narratives About the Ethical Dimensions of their Work.” Paper presentation (co-author JA Fisher). Society for the Social Studies of Science. New Orleans, LA. Sept. 4-7, 2019.

“Pain, Care and Killing in Animal Research.” Panel Presentation (co-author JA Fisher). International Society for the History, Philosophy and Social Studies of Biology. Oslo, Norway. Jul. 7-12, 2019.

“Gene Editing and Large Animal Models in Biomedical Research: Translational Efficiency or Ethical Folly?” Paper Presentation. (co-author M Eggel). American Society for Bioethics and the Humanities. Anaheim, CA. Oct. 18-21, 2018.

“From Mice to Primates: What should virtue ethics say about research animal moral status?” Paper Presentation. Minding Animals Conference 4. Mexico City, Mexico, Jan. 17-24, 2018.

“Unheard Frequencies in Animal Research” Paper Presentation. Minding Animals Conference 4. Mexico City, Mexico, Jan. 17-24, 2018.

“Selling their Bodies to Science? Commodification and Phase 1 Clinical Trials”. Paper Presentation (co-author JA Fisher). American Society for Bioethics and the Humanities. Washington, DC. Oct. 6-9, 2016.

“Unheard Frequencies in Animal Research”. Paper Presentation. American Society for Bioethics and the Humanities. Washington, DC. Oct. 6-9, 2016.

“Commodification and Phase 1 Clinical Trials: Healthy Volunteer Perspectives and Experiences”. Paper Presentation (co-author JA Fisher). Feminist Association for Bioethics. Edinburgh, Scotland. Jun. 13-15, 2016.

“Whither Animal Moral Status? Comparing the Ethical Implications of U.S. and E.U. Animal Research Regulatory Structures”. Paper Presentation. American Society for Bioethics and the Humanities. Houston, TX. Oct. 22-25, 2015.

“Moral Frameworks for Animal Research: Considering a Virtue Ethical Approach”. Paper presentation. American Society for Bioethics and the Humanities. Minneapolis, MN. Oct. 13-16, 2011.

“The ‘E’ in ‘ELSI’”. Paper Presentation. 2011 ELSI Congress: “Exploring the ELSI Universe”. University of North Carolina. Chapel Hill, NC. Apr. 12-14, 2011.

“Justice Concerns in the Use of Psychosocial Criteria in Organ Allocation”. Paper Presentation. American Society for Bioethics and the Humanities. Washington, DC. Oct. 2009.

"Ethical Issues in the Use of Animals for Biodefense and Emerging Infectious Disease Research". Paper Presentation. American Society for Bioethics and the Humanities. Cleveland, OH. Oct. 2008.

"Justice and the Use of Psychosocial Criteria for Organ Allocation" [with Maryam Valapour, MD]. Paper presentation. American Society of Transplant Surgeons. Chicago Transplant Ethics Consortium, and Northwestern University Feinberg School of Medicine sponsored, "Frontiers of Ethics in Transplantation". Chicago, IL. Apr. 2008.

"The Good Life for Non-Human Animals: What Virtue Requires of Humans". Paper presentation. American Philosophical Association. Portland, OR. Mar. 2006.

"Research on Animals: A Case of Just Suffering?" Panel Presentation, American Society for Bioethics and the Humanities, Washington, DC. Oct. 2005.

"Why Is It So Hard to Allocate Resources Fairly?" Panel Presentation. American Society for Bioethics and the Humanities. Baltimore, MD. Oct. 2002.

"Incorporating Rationality into the Concept of Respect for Patient Autonomy". Paper Presentation. Association for Practical and Professional Ethics. Cincinnati, OH. Mar. 2001.

"Morality and the Limits of Societal Preferences in Health Care Allocation". Paper Presentation. American Society for Bioethics and the Humanities. Salt Lake City, UT. Oct. 2000.

"Moral Theory, Anti-Theory, and the Scientific Model". Paper Presentation. American Philosophical Association. Washington, DC. Dec. 1998.

"Between Theory and Anti-Theory: Taking the Variety in Moral Experience Seriously". Paper Presentation. American Philosophical Association. Berkeley, CA. Mar. 1997.

Invited Presentations (selected)

"Carceral Health Care: Provider Perspectives." Criminal Justice Health Working Group. Chapel Hill, NC. April 2, 2025.

"Ethics of Animal Research." Panel with David DeGrazia. Bioethics Interest Group Webinar. George Washington University. March 19, 2025.

"Physicians and Punishment: Ethics Beyond Oaths and Codes." Parr Center for Ethics lecture. Chapel Hill, NC. Feb. 4, 2025.

"Ethical Review of Human and Animal Subjects Research." Plenary Panel with Margaret S. Landi and Nancy E. Kass. Public Responsibility in Medicine and Research (PRIM&R) conference. Seattle, WA. Nov. 20, 2024.

“Virtue ethics and animal moral status.” With comments from Larry Carbone, PhD, DVM and Lisa Moses, VMD. Harvard Alumni Animal Health Webinar. May 1, 2024.

“Ethical principles in research: The complicating cases of pets and phase I healthy human studies.” University of Miami, Miller School of Medicine. April 30, 2024.

The Trusted Doctor by Rosamond Rhodes. Author Meets Critics Session of the Eastern Division of the American Philosophical Association. New York, NY. Jan. 15-18, 2024.

“Ethics and 3Rs of NIH’s Sex as a Biological Variable (SABV) Policy for Nonhuman Primate Research.” NIH Virtual Workshop on Sex as a Biological Variable Policy for Studies Using Non-Human Primates in Neuroscience Research. Virtual. Jan 4, 2024

“One health, one ethic? Confronting the disunity of ethical oversight for human and nonhuman animal research.” Berman Institute of Bioethics Seminar Series. Johns Hopkins University. Baltimore, MD. Dec. 11, 2023.

“Physicians and Punishment.” Berman Institute of Bioethics Fellows Discussion. Johns Hopkins University. Baltimore, MD. Dec. 11, 2023.

“Conceptualizing and Assessing the Social Value of Research.” Plenary Session. Public Responsibility in Medicine and Research (PRIM&R). Washington, DC Dec. 3-6, 2023.

“Revisiting the Tenets of Biomedical Ethics.” Breakout Session. Public Responsibility in Medicine and Research (PRIM&R). Washington, DC Dec. 3-6, 2023.

“Physicians and Punishment: Ethics beyond Oaths and Codes.” Romanell Center Workshop. Buffalo, NY. Aug. 12, 2023.

“Xenotransplantation, Research Integrity & Ethics.” Panel Presentation. Three I’s: Biosecurity and Research Integrity conference. Chapel Hill, NC. April 24-25.

“One Health, One Ethic? Confronting the disunity of ethical oversight for human and nonhuman animal research.” Keynote Address. North Carolina Philosophical Society Annual Meeting. Durham, NC. Mar. 3, 2023.

“How to Protect Healthy Volunteers from Exploitation in Biomedical Research.” Co-Chair presentation (with Jill A. Fisher). North America regional seminar of the *VolREthics* international initiative (under the auspices of the Ethics Committee of the French National Institute for Health and Medical Research). (Virtual). Oct. 19, 2022.

“From Welfare to Respect: Is the difference in ethical principles guiding human and animal research justified?” Paper presentation. UNC and University of Tuebingen joint conference. Tuebingen, Germany. Jul. 2-3, 2022.

“Virtue Ethics and Animal Moral Status.” Paper presentation with commentator. Henle Conference. Saint Louis University, Philosophy Department. St. Louis, MO. Sept. 30-Oct. 1, 2022.

“How researchers narrate animal harms.” Paper presentation. Harvard-Yale Animal Ethics Faculty Seminar (Virtual). Mar. 25, 2022.

“The Ethics of Animal Research.” Panelist. Center for Ethics and Human Values, The Ohio State University (Virtual). Jan. 31, 2022.

UNC Philosophy and Psychiatry Conference (International Conference, Virtual). Commentator. Apr. 10, 2021.

“Virtue Ethics and Animal Research: A View from Somewhere.” Invited symposium with commentator. American Philosophical Association, Pacific Division. (Virtual). Apr. 6-10, 2021.

“Societal and Ethical Implications of Functional Genomics” and “Challenges in Education and Training.” Panel participant. Next Steps for Functional Genomics: A Workshop. National Academies of Sciences, Engineering, and Medicine. Washington, DC. Feb. 10-12, 2020*

*Summaries published in: National Academies of Sciences, Engineering, and Medicine, 2000. *Next Steps for Functional Genomics: Proceedings of a Workshop*. Washington, DC: The National Academies Press, pp: 128-143.

“Drugs in the Pipeline; Research Ethics at a Divide.” Paper presentation. Rice University, Medical Humanities Program and Department of Philosophy. Houston, TX. Jan. 31, 2019.

“Genomic Screening of Vulnerable Populations.” Plenary Panel. National Human Genome Research Institute, Centers for Excellence in ELSI Research Consortium. Bethesda, MD. Apr. 23, 2018.

“Ethical Uses of Animals in Research.” Triad Veterinary Residency Seminar Series. National Institute of Environmental Health Sciences. Durham, NC. Feb. 26, 2018.

“Ethical and Policy Problems Arising from Gene Editing Biotechnology.” Panel (co-author Matthias Eggel). North Carolina Law Review Symposium. University of North Carolina, Chapel Hill, NC. Oct. 4-5, 2018.

“Virtue, Vice, and “Voracious” Science: How should we approach the Ethics of Primate Research?” Paper presentation. UNC Center for Bioethics Beach Conference. Emerald Isle, NC. Sept. 20-24, 2017.

“Bioethics”. Panel presentation. Health & Humanities Exchange Conference. University of North Carolina, Chapel Hill, NC. Nov. 11-12, 2016.

“Life in the Anthropocene and the value of nature”. Panel presentation. Parr Center for Ethics Symposium on Climate Ethics. University of North Carolina, Chapel Hill, NC. Oct. 28, 2016.

“The Ethics of General Population Preventative Genomic Sequencing: Rights and Social Justice”. Paper presentation. Center for Genomics and Society, University of North Carolina, Chapel Hill, NC. Oct. 13, 2016.

“The Virtues and Vices of Physician Participation in Capital Punishment”. Paper presentation. Conference on The Theory and Practice of Punishment East and West. City University of Hong Kong, Center for East Asian and Comparative Philosophy. Hong Kong, China. Aug. 28-31, 2016.

“Animal Research Ethics”. Triad Veterinary Residency Seminar Series. National Institute of Environment Health Sciences. Research Triangle Park, NC. Mar. 7, 2016.

“Philosophical Methods for ELSI Research”. Panel presentation. National Human Genome Research Institute CEER Consortium Annual Meeting. Baltimore, MD. Mar. 17-18, 2015.

“What is the Moral Standing of Research Animals?” Paper presentation. City University of Hong Kong, Center for East Asian and Comparative Philosophy. Hong Kong, China. May 19, 2015.

“Virtue Ethics and Animal Research.” Paper presentation. Workshop on Ethics and Non-human Animals: East and West, City University of Hong Kong, Center for East Asian and Comparative Philosophy. Hong Kong, China. May 21, 2015.

“Balancing Harm and Benefit in Animal Research”. Invited speaker. North Carolina Association for Biomedical Research, Institutional Animal Care and Use Committee conference. Research Triangle Park, NC. Apr. 29, 2014.

“What is the Moral Standing of Research Animals?” Paper presentation. Institute for Biomedical Ethics, University of Zurich, Switzerland. Mar. 12, 2014.

“Of Mice and Primates: Virtue Ethics and Animal Research Workshop”. Paper presentation. Messerli Research Institute. University of Veterinary Medicine, Vienna, Austria. Mar. 11, 2014.

“Beyond Anthropocentrism: Virtue Ethics and Animal Research”. Paper presentation. Institute for Philosophy, University of Vienna, Austria. Mar. 10, 2014.

“Moral Frameworks and Animal Research”. Triad Veterinary Residency Seminar Series. National Institute of Environment Health Sciences. Research Triangle Park, NC. May 6, 2013.

“Ethical Issues in Research on the Newly Dead”. Panel Presentation. Research Ethics Grand Rounds. University of North Carolina, Chapel Hill, NC. Apr. 18, 2013.

“The Ethical, Legal, and Social Implications of Mouse Genetics and Genomics Research” (co-presentation with Fernando Manuel Pardo de Villeana, PhD). Center for Genomics and Society Seminar Series. University of North Carolina, Chapel Hill, NC. Mar. 18, 2013.

“Moral Frameworks for Animal Research”. Research Ethics Grand Rounds. Wake Forest University Center for Bioethics, Health and Society, Winston-Salem, NC. Mar. 6, 2012.
“Out from the Shadow of the Moral Law: Virtue Ethics and Animal Research”. Paper presentation. Bioethics Seminar Series. Wake Forest University, Center for Bioethics, Health, and Society, Winston-Salem, NC. Mar. 6, 2012.

“Ethics and ELSI: Looking Backwards and Forwards”. Paper presentation. Center for Genomics and Society, Seminar Series. University of North Carolina, Chapel Hill, NC. Feb. 21, 2012.

“Genomics and Societal Issues”. Panel Presentation. National Human Genome Research Institute, CEER Consortium Annual Meeting. Rockville, MD. Oct. 4-5, 2011.

“Animal Research and the US Regulatory Structure”. Paper presentation. North Carolina State University, Philosophy Department. “Tom Regan: A Celebration”. Raleigh, NC. Apr. 15-16, 2011.

“E in ELSI”. Invited workshop. 2011 ELSI Congress: “Exploring the ELSI Universe”. University of North Carolina, Chapel Hill, NC. Apr. 12-14, 2011.

“Ethics and Animal Research”. Research Ethics Grand Rounds. Center for Translational Science Award, NC-TraCS. University of North Carolina, Chapel Hill, NC. Feb. 17, 2011.

“On Issues of Futility and Distributive Justice in Health Care”. Panel presentation. University of North Carolina Hospitals SICU (Surgical Intensive Care Unit) Ethics Conference. Chapel Hill, NC. Feb. 7, 2011.

“Methods in Clinical Ethics”. Lecture. University of North Carolina, Hospital Ethics Committee. Chapel Hill, NC. Feb. 3, 2011.

“Directed Donation for Teenage Transplant and the “Compliance Dilemma”: Considering the ethical issues”. Transplant Education seminar. UNC Hospitals, Chapel Hill, NC. Jan. 27, 2010.

“Four Justice Issues for the use of Psychosocial Criteria in Organ Candidate Selection”. Lecture. Primary Medicine Resident Program. University of North Carolina, Chapel Hill, NC. Mar. 17, 2010.

“Moral and Social Values and the Use of Psychosocial Criteria for Organ Recipient Screening”. Lecture. International Transplant Nurses Society, North Carolina Chapter. Chapel Hill, NC. Apr. 24, 2009.

“Justice and the Use of Psychosocial Criteria in Transplant Candidate Selection”. Paper presentation. Greenwall Fellows Reunion. Baltimore, MD. Jun. 2, 2009.

“Justice, Beneficence, and Health Care for Undocumented Immigrant Patients”. Lecture. University of North Carolina, Chapel Hill, NC, School of Medicine. May 28, 2008.

“Interested Justice and Moral Partiality: Virtue ethics and role morality”. Keynote Response. Conference on “Confucian Virtues at Work,” Eugene, OR, Mar. 2008.

“Justice and Allocation for Treatment of HIV/AIDS in South Carolina.” Panel Presentation. Johnson & Johnson Lecture in Health Law and Policy. University of South Carolina School of Law. Mar. 2008

“Allocation Models and Mass Casualty Events”. Lecture. University of North Carolina, Hospital Ethics Committee, Chapel Hill, NC. Jan. 2007

“When Autonomous Patients Make Non-autonomous Decisions”. Paper Presentation. University of North Carolina, Department of Social Medicine, Chapel Hill, NC. Oct. 2006.

“Human and Non-Human Subjects of Research: Respect versus Welfare”. Paper Presentation. Greenwall Foundation fellows and scholars reunion. Baltimore, MD. Oct. 2005.

“Health Care Resource Allocation Models” (with Nancy King). Lecture. University of North Carolina, Hospital Ethics Committee, Chapel Hill, NC. Mar. 2004.

“Health Care Allocation: The Case of the Flu Vaccine.” Lecture. University of North Carolina, Institute for Arts and the Humanities, Chapel Hill, NC. Oct. 2004

“The Ethics of Human Cloning”. Public Lecture. Ann Arbor Public Library. Ann Arbor, MI. Apr. 2003

“Research Responsibility for Clinician Investigators” (with Susan Goold). Lecture. University of Michigan, Research Responsibility Program. Ann Arbor, MI. Mar. 2003

“Disability, Quality of Life, and the Allocation of Scarce Health Care Resources.” Paper Presentation. University of North Carolina, Department of Social Medicine, Chapel Hill, NC. Jan. 2003.

“Cost Effectiveness, Utilitarianism, and Disability”. Paper Presentation. Johns Hopkins, Bioethics Center, Baltimore, MD. Oct. 2002.

“Incorporating Rationality into the Concept of Respect for Autonomy”. Paper Presentation. University of Michigan, Bioethics Center, Ann Arbor, MI. Aug. 2002.

“Respect for Rational Autonomy”. Michigan State University, Center for Ethics and Humanities in the Life Sciences, Lansing, MI. Oct. 2001

“Bioethics at the Institute of Medicine: 1970 - 2000”. Paper Presentation. Institute of Medicine, Health Sciences Policy Division, Washington, DC. Jun. 2001.

“Incorporating Rationality into the Concept of Respect for Autonomy”. University of Manitoba, Philosophy Department, Winnipeg, Canada. Jan. 2001.

Teaching Activities (UNC)

Courses: School of Medicine

2023, Fall. Social and Health Systems III: History and Ethics of Human and Animal Experimentation,

2022, Spring. Social and Health Systems II: Medical Ethics and the Health Care System, 15 students

2020, Fall. Social and Health Systems III: History and Ethics of Human and Animal Experimentation, 8 students

2020, Spring. Social and Health Systems II: Medical Ethics and the Health Care System, 13 students

2019, Spring. Social and Health Systems II: Medical Ethics and the Health Care System, 13 students

2018, Fall. Social and Health Systems III: History and Ethics of Human and Animal Experimentation, 13 students

2018, Spring. Social and Health Systems II: Medical Ethics and the Health Care System, 14 students

2017, Fall. Social and Health Systems I: Social Dimensions of Illness and Doctoring, 14 students

2016, Fall. Professional Development I: Social Dimensions of Illness and Doctoring, 14 students

2016, Fall. Professional Development III: History and Ethics of Human and Animal Experimentation, 12 students

2016, Spring. Professional Development II: Medical Ethics and the Health Care System, 15 students

2015, Spring. Professional Development II: Medical Ethics and the Health Care System 14 students

2014, Fall. Professional Development I: Social Dimensions of Illness and Doctoring, 14 students

2014, Spring. Medicine and Society, 14 students

2013, Spring. Humanities and Social Sciences: Bioethics Methods, Concepts, and Cases, 12 students

2013, Fall. Medicine and Society, 14 students

2011, Fall. Humanities and Social Sciences: Bioethics Methods, Concepts, and Cases 14 students
2010, Spring. Humanities and Social Sciences: Biomedical Research Ethics. 14 students (MD/PhD)
Spring 2005; Fall-Spring, 2005-2006; 2006-2007; 2007-2008; 2008-2009; 2009-2010; 2010-2011. Medicine and Society. 12-14 students.
Spring 2009; 2007; 2006; 2005. Humanities and Social Sciences: Justice in the Allocation of Health Care Resources. 12-14 students.

Undergraduate Courses: Arts and Sciences, Department of Philosophy

2023, Spring. Pandemics: Ethics, Literatures, and Cultures (with Michele Rivkin-Fish and Jane Thrailkill), 136 students
2021, Spring. Ethics and History of Human and Animal Experimentation, 25 students.
2016, Spring. History and Ethics of Human and Animal Experimentation (with Susan Lederer), 12 students
2012, Spring; 2008, Spring; 2005, Fall; 2003, Fall. Biomedical Ethics, 35 students

Graduate Level Courses: Arts and Sciences, Department of Philosophy

2024, Fall. Animal Ethics, 12 students
2021, Fall. Bioethics Methods, 10 students
2018, Spring. Practical Virtue Ethics (with Mariska Leunissen), 7 students
2012, Fall. Animal Ethics (with Mariska Leunissen), 9 students
2008, Fall. Moral Status (with Douglas MacLean), 8 students
2005, Spring; 2006, Spring. Justice in the Allocation of Health Care Resources (Joint course with Department of Social Medicine), 12 students
2004, Spring. Theory and Anti-Theory in Ethics and Bioethics, 7 students.

Guest Teaching (selected)

Guest lecturer, "Bioethics approaches to abortion," *Abortion Care and Policy course*, School of Public Health, UNC, October 9, 2017
Guest seminar leader and co-organizer, *Center for Genomics and Society*, UNC, Trainee sessions on the "Use of DNA in the Classroom" March-April 2012
Guest speaker, *Science of Medicine Course*, UNC, "Virtue Ethics and Medicine" March 2011
Lead organizer, Capstone Course on Ethics and Professionalism, UNC, March 2011
Guest speaker, "Justice in Health Care Allocation," *Systems Based Practice Course*, UNC, January 2011
Guest speaker, 4th year Medical Student *Capstone Course on Ethics and Professionalism* with Dr. Gary Gala, UNC, Spring 2010
Guest speaker, *Policy Issues in Health Outcomes and Quality of Care*, Dr. Sue Tolleston-Reinhardt, School of Public Health, UNC, Spring 2010
Guest speaker, *Holderness Medical Scholars Seminar Series*, "Pharmaceutical gifts and prescribing influence", UNC, April 2005, March 2007, April 2009, December 2011, March 2013, February 2021

Guest lecture. Medicine Basic Science Depts., Biomedical Research Ethics Training.
“Stem Cell Research: An Ethical Analysis of Moral Status Claims for Human Embryos”.
August 2007.

Supervision (UNC)

Philosophy Graduate Students

Nicole Dominiak (First year advisor, 2023-2024)
Ava Geenan (MA thesis advisor, awarded 2024)
Myraeka D’Leeuwen (MA thesis advisor, awarded 2024)
Zach Ferguson (MA thesis advisor, awarded 2023; PhD advisor, expected 2027)
Logan Mitchell (MA thesis co-advisor, awarded 2023; PhD advisor, expected 2026).
Alyse Spiehler (First year advisor, 2020-2021; MA thesis committee 2021, leave of absence)
Elizabeth Brassfield (PhD committee, MA awarded 2017, PhD awarded 2020)
Amy Glaser (Reader, PhD awarded 2018)
Bryanna Moore, Monash University (External Examiner, PhD awarded 2017)
Syl Kocieda (Reader, left program in 2016)
Yujia Song (Reader, PhD awarded 2013)
Clair Morrissey (Reader, PhD awarded 2010)
Andrew Courtwright (PhD Committee, MD-PhD awarded 2009)
Brian Thomas (Reader, PhD awarded 2006)
Ingra Schellenberg (Reader, PhD awarded 2006)

Philosophy Undergraduate Honors Theses Committees

Ann Hook Gouliau, awarded 2025
Amy Feng, awarded 2023
Hunter Cameron, awarded 2014
Kendall Nicosia-Rusin, awarded 2014
Madeline Lang, awarded 2013

Arts and Sciences Graduate Students

Ian Choi, Department of Environmental Sciences and Engineering (PhD committee, expected 2026)
Madeleine Austin, Department of Political Science (MA thesis committee, awarded 2024)

Medical Students

Konan Beke, Fall 2023, co-advisor for the Humanities and Social Science scholarly concentration
Michael Dorry, Spring 2014, Special Topics in Social Medicine Selective
Seth Berkowitz, 2005, Special Topics in Social Medicine Selective

Mentorship and Other Advising

Faculty supervisor for Graduate Research Assistants Kyle Cessna, Ava Geenen, and Eric Choi, Physicians and prisons research project, Summer-Fall 2024

Faculty supervisor for Graduate Research Assistants Logan Mitchell and Zachary Fergusen, Incidental Enhancements R01, Spring-Summer 2024
 Faculty supervisor for Amanda Xu, William C. Friday Arts & Humanities Research Award for undergraduates, Spring 2025
 Undergraduate Honors Program, Honors Contract course, Iman Mukhtar, Spring 2023
 Panel presentation, Inclusive Pedagogy, Department of Philosophy, Spring 2022
 Teaching Mentor for Rachel Dumez, PhD student in the Curriculum in Genetics and Molecular Biology, Spring 2021
 Faculty Advisor, Narratives in Medicine Undergraduate Reading Group, College of Arts and Sciences, 2021- present
 Faculty supervisor for Ryan Joseph Kramer, Undergraduate Honors Student, Institute for Arts and Humanities funded Research Apprenticeship, Spring 2019
 Faculty Advisor for Matthias Eggel, Visiting Post-Doctoral Scholar, University of Zurich, Institute for Biomedical Ethics, Spring 2018
 Mentor for Karen Meagher, Center for Genomics and Society post-doctoral fellow, 2016-2018
 Faculty Advisor, Carolina Undergraduate Bioethics Scholars, College of Arts and Science, 2012-2016
 Faculty Co-Supervisor, Clinical Ethics Discussion Group, Medical School, 2007-2012
 Mentor for Clair Morrissey, PhD student, Center for Genomics and Society, 2008- 2010
 Faculty Advisor for Stanley Hassinger, Carolina Medical Student Research Program, Summer 2008
 Reader for Hanna Sanoff, MD, for MA in Public Health, Public Health Leadership Program, Oct. 2008

Grants

Active

Honors Carolina and the Institute for Arts and Humanities
 William C. Friday Arts & Humanities Research award for undergraduate mentorship
 Ethical care of incarcerated persons in the US prison system
 Amount: \$2,000
 Spring 2025

UNC Center for Bioethics
 Physicians and Punishment: Ethics beyond Oaths and Codes
 Faculty Grant
 Role: PI
 0% FTE
 Amount: \$20,000
 May 2024-April 2025

Swiss National Science Foundation
 3Rs, Ethics ad Society: The moral significance of animal flourishing
 Role: External collaborator (PI: Matthias Eggel)
 0% FTE
 2021-2024

NIH National Human Genome Research Institute
Incidental Enhancement: Addressing a Neglected Policy Issue in Human Genome Editing
(R01HG010661)
Role: co-I (30% effort)
Amount: \$777,498
05/01/2020-02/28/2024 (NCE to 8/31/2024)

Completed

NIH National Institute of General Medical Sciences
Healthy Volunteers as Model Organisms: Comparative Research Ethics and Policy for
Phase I Trials (R01GM099952)
Role: co-PI (with Jill Fisher) (35% effort)
Amount: \$1,586,100
2017-2021 (NCE through 5/31/2023)

Honors Carolina and the Institute for Arts and Humanities
William C. Friday Arts & Humanities Research award for undergraduate mentorship
Comparative Model Organism Research Ethics
Amount: \$2,000
Spring 2019

NIH National Institute of General Medical Sciences
Sex as a Biological Variable in Biomedical Research. Supplement to: R01GM099952
Role: co-PI (with Jill Fisher) (5% effort)
Amount: \$101,075
9/06/2018-8/31/2019

NIH National Center for Research Resources
NC Translational and Clinical Sciences Institute: Research Ethics Service
Role: Core Faculty (10% effort)
Amount: \$7,277,026
2013-2018

NIH National Human Genome Research Institute
Center for Excellence on ELSI Research Center for Genomics and Society, Gene Screen
Role: co-I (10 % effort)
Amount: \$6,000,000
2013-2018

NIH National Institute of General Medical Sciences
Factors Affecting Health Volunteers' Long-Term Participation in Clinical Trials
Role: co-I (10% effort)
Amount: \$1,861,260
2012-2017

UNC University Research Council Publication Award
Health Inequalities and Justice: New Conversations Across the Disciplines.
Role: co-I (0% effort)
Amount: \$1,500
2016

UNC College of Arts and Sciences Grant for Interdisciplinary Initiatives
Health Inequalities and Justice Conference
Role: co-I (0% effort)
Amount: \$10,000
2013

Messerli Foundation, Switzerland
Travel Grant for presentations and workshop on Virtue Ethics and Animal Research
Role: Presenter (0% effort)
Amount: \$7,000
2013

NIH National Institute of Allergy and Infectious Diseases
Southeast Regional Center of Excellence for Emerging Infections: Policy, Ethics and Law Core
Role: Consultant (Advisory Committee Member) (0% effort)
2003 - 2010

NIH National Institute of Allergy and Infectious Diseases
Southeast Regional Center of Excellence for Emerging Infections: Policy, Ethics and Law Core
Role: White paper author (0% effort)
Amount: \$3,000
2008 – 2009

NIH National Human Genome Research Institute
Center for Genomics and Society
Role: co-I (10% effort)
Amount: \$3,750,000
2007 – 2012

NIH Fogarty International Center
Strengthening Bioethics Capacity and Justice in Health
Role: Consultant (0% effort)
2004 - 2008

NIH National Human Genetics Research Institute
Large Sample Gene Discovery and Disclosure
Role: co-I (10% effort)
Amount: \$300,000

2004 – 2007

NIH National Human Genome Research Institute

Community Genetics Forum 2006: Group Benefits and Harms of Genetic Research

Role: Key Personnel (0% effort)

2005 - 2006

Professional Service (selected)

State

NC COVID-19 Vaccine Advisory Committee, North Carolina Institute of Medicine, Fall 2020-Fall 2021

NC COVID-19 Advisory Committee on the Protocol for the Scarce Allocation of Resources, North Carolina Institute of Medicine, Spring 2020

Field

National Science Foundation, Review Panel, Emerging Frontiers in Research and Innovation program, FY 2025.

Berman Bioethics Institute Alumni Committee, Johns Hopkins University, 2025 - present
Working group member, *VolREthics* (International initiative under auspices of the Ethics Committee of the French National Institute for Health and Medical Research to produce ethical guidance on healthy volunteer research). 2022-2024.

Co-Organizer, North America regional seminar of the *VolREthics* international initiative, “How to Protect Healthy Volunteers from Exploitation in Biomedical Research.”

Initiative under auspices of the Ethics Committee of the French National Institute for Health and Medical Research. Oct. 19, 2022.

Public Responsibility in Medicine and Research (PRIM&R) Conference Planning Committee (Crossover Content), 2022.

Peer institution reviewer for faculty promotion to full prof. with tenure 2019; 2021; 2022; 2023; 2024

Editorial Board, *Animals* Journal [Invited 2020- declined due to pandemic related work-load increase]

Editorial Board, *PLOS One* [Invited 2020- declined due to pandemic related work-load increase]

Peer institution reviewer for faculty promotion to associate prof. with tenure 2020

Peer Reviewer, American Society for Bioethics and the Humanities, conference submissions 2019

Co-organizer, Conference on Health Disparities and Justice, UNC campus Sept. 4-6, 2013

Editorial Board, *Southern Journal of Philosophy*, 2008 – 2016

UNC-Chapel Hill

Department of Philosophy, faculty mentor 2024- present

Department of Philosophy, tenure track, open area search committee 2024-2025

AI and Automation Advisory board, UNC Health, June 2024 - present

Campus, Faculty Hearings Committee, 2024-2027

Department of Philosophy, tenure track, open area search committee 2023-2024

School of Medicine, Diversity and Inclusion Liaison to Department of Social Medicine, 7/2023 – 7/2024
 Department of Philosophy, Diversity committee member 2023-2024
 Department of Social Medicine, 5-year review committee for colleague, 2023
 Carolina Public Humanities, Maynard Adams Fellows Selection Committee (2021)
 Campus, Appointments, Promotions and Tenure (Elected position, 2021-2024)
 School of Medicine, Appointments, Promotions and Tenure (Elected 2021, unable to serve due to schedule conflict)
 Graduate student admissions, Department of Philosophy, 2020-2022
 Area exam committee in ethics, Department of Philosophy, 2020-2023
 Alan Cross Paper Prize Committee, Department of Social Medicine, 2020
 Faculty Advisory Committee for the Department of Public Policy, Jul. 2019- present (faculty promotion review committee, 2019 & 2024)
 Faculty Advisory Board Member, Institute for Arts and Humanities, Sept. 2017- Aug. 2020
 Committee Member, Institutional Animal Care and Use Committee, May 2014 – January 2023
 Committee Member, School of Medicine Merrimon Lecture, 2013-2017
 Liaison to Reproductive Endocrinology and Infertility Ethics Committee, Hospitals Ethics Committee, 2010-2018
 Chair, Teaching Policy Committee, Department of Social Medicine, Spring 2016
 Co-director for education, Hospitals Ethics Committee, 2010-2015
 Search Committee, Parr Center for Ethics Director, College of Arts and Sciences, 2014-2015
 Committee Member, Review of junior faculty member for Tenure, Department of Social Medicine, Fall 2014
 Committee member, Review of Dean of the School of Nursing, Spring 2014
 Committee member, Review of junior faculty member for re-appointment in Department of Social Medicine, 2013
 Committee member, Tenure track search for position in Global Health Ethics, 2012-2013
 Organizer, Medicine, Mortality, and Meaning Reading Group, Hospital Ethics Education Services, 2012
 Chair, Search Committee for Center for Bioethics junior faculty position, 2011-2012
 Organizer, Bioethics at UNC faculty works in progress group, 2008-2012
 Member of the Pandemic Flu Planning sub-committee, Hospitals Ethics Committee, 2007-2009
 Search Committee, Biomedical Ethics Center Director, School of Medicine, 2008

External Reviewer (Ad Hoc)

University of Vienna, tenure track assistant professor in Applied Ethics, 2024
 New England Journal of Medicine, 2024
