Research Reports

Strauss RP, Lindahl RL, Carter M. Patient response to participation in a quality assurance project conducted in private dental offices. Report to the W.K. Kellogg Foundation and the American Fund for Dental Health, March, 1980.

Strauss RP, Lindahl RL, Carter, M. Professionalism and scrutiny: a study of dentists' perceptions of quality review in their offices. Report to the W.K. Kellogg Foundation and the American Fund for Dental Health, April, 1980.

GRANTS AND CONTRACTS

- 1977-1980 Investigator: A comparison of two quality review systems, patient perceptions of quality and consumer and provider attitudes towards quality (with Dr. Roy Lindahl); funded: National Quality Assurance Program, American Fund for Dental Health and W.K. Kellogg Foundation: \$137,000, 10% effort)
- 1978-1979 Project Coordinator: Health Promotion - Addressing barriers to dental care; a UNC Health Services Research Center - Children's Television Workshop project: \$5,000 Center grant, 5% effort)
- 1985-1988 Investigator: A Paradigmatic Service Oriented Program for the Promotion of Cognitive Development and Social Integration of Down's Syndrome Children and Adults. The Hasbro Foundation, New York City. Grant to the Hadassah-Wizo-Canada Research Institute, Jerusalem, Israel (\$405,300 grant, 50% effort in 1985, 5% in 1987, 1988)
- 1987-1992 Investigator: Piedmont 65+ Dental Health Study #1 (J. Beck and R. Hunt, P.I.) National Institute of Dental Research RO1, Project Sociologist. (\$1,527,700, 5 years, 5% effort in 1989, 15% effort in 1987-1988)
- 1987-1992 Faculty Participant: Pew Foundation / Rockefeller Foundation Health of the Public Grant for faculty development (\$1,199,754, 5 years, 5% effort)
- 1989-1991 Principal Investigator: Psychosocial Responses to Cleft Lip and Palate; 1 RO1 DE 08135-01A1 (N.I.D.R.), Funded 1-1-89. Co-Investigators: H. Broder, R. Helms, K. Tulloch. (\$329,533, 2 years, 20% effort)
- 1991-1994 Investigator : The Social Impact of Oral Conditions in Elderly Populations (Subcontract); P.I. : A.J. Spencer, Subcontract P.I.: R.J. Hunt (NIDR grant R01-DE09588, \$134,966; 3% effort, 2 years)
- 1992-1995 Investigator/Sociologist-Dentist: Intergenerational Epidemiologic Study of Periodontitis; P.I.: J. Weintraub; (NIDR grant 1 R01 DE09856-01A1, \$1,869,625, 10% effort, 3 years)
- 1993-1995 Investigator/Sociologist-Dentist: Piedmont 65+ Dental Health Study #2 (J. Beck) National Institute of Dental Research RO1 DE08060-01. (\$1,541,408, 10% effort, 2 years)
- 1993-1998 Project Leader : Doctoral and Post-Doctoral Traineeships in Health Promotion and Disease Prevention Research, CDC Prevention Center.; P.I.: Alan W. Cross (Centers for Disease Control U48/CCU409660-01). (\$5,052,305, 2% effort, 5 years)
- 1993-1997 Principal Investigator: The Health of the Public Grant. Robert Wood Johnson Foundation and the Pew Charitable Trust (\$200,000, 3 years, 7% effort)
- 1994-1999 Investigator/Sociologist : HIV, Ethnicity and Oral Disease in the Southeast. L. Patton, P.I. (\$350,000, 5 years, 3% effort)

GRANTS AND CONTRACTS (continued)

- 1994-1998 Principal Investigator: R. Strauss: Community and Ethnicity : Impacts on HIV Preventive Research.; C.D.C. Special Interest Project; (\$164,000, 4 years, 10% effort)
- 1995-1996 Co-Principal Investigator (Gary Slade, P.I.), "Sociodental Indicators of Oral Health Outcomes," Agency for Health Policy and Research and National Institute of Dental Research Conference Grant (\$50,000)
- 1995-1998 Project Leader, UNC School of Dentistry. Health Professions Schools in Service to the Nation. Pew Health Professions Commission sponsored by the Pew Charitable Trusts, the Corporation for National and Community Service's Learn and Serve America : Higher Education Program, and the Bureau of Health Professions. (Edward Brooks, Program Director) (\$70,000, 3 years, 5% effort)
- 1996-1998 Principal Investigator: R. Strauss: Project LinCS: Scientist Substudy, C.D.C. Special Interest Project; (\$8,100, 2 years, 5% effort)
- 1997- 1998 Investigator (Patrick Flood, P.I.): Development of a Center for Oral Inflammatory Disorders; (NIDR grant P20 DE12374-01, \$100,000, 5% effort, 1 year)
- 1998-2001 Core Director and Investigator (R. Swanstrom P.I.) Center for AIDS Research, P30 to NICHD.(20% effort as Lead Social Scientist in Behavioral and Social Science Core).
- 1998-1999 Co-Investigator (E. Sandler P.I.), "Childhood Oral Health Promotion in Preschool and Head Start Centers," UNC Health Affairs Service Learning Course Development Grant (\$8,000)
- 1998-2002 Co-Investigator (Philips, P.I.), Registry of Craniofacial Treatment Outcomes (NIDR grant 1 R01 DE12514-01, \$2,366,518, 0-10% effort, 4 years)
- 1999-2004 Co-Investigator (P. Flood P.I.), Comprehensive Oral Health Research Centers of Discovery, NIDCR; \$2,130,390, 5% effort, 5 years
- 1999-2004 Principal Investigator, Oral Health Works (RO1) Comprehensive Oral Health Research Centers of Discovery Project 15, NIDCR; \$2,130,390, 5% effort, 5 years

GRANT SUPPORT (in detail since 2000, Non-Active)

- R21DE144113-02 (L. Patton, PI) 09/1/2001-08/31/2004
 NIDCR \$100,000
 North Carolina Needs Assessment for Oral Cancer Control
 The major goal of this project is to explore NC oral and pharyngeal cancer (OPC) epidemiology, public and health care provider knowledge regarding risks, signs and symptoms of OPC, document oral cancer screening examination practices, and work with the NCDHHS to propose a State-wide intervention to improve OPC mortality.
- RO1-DE13546-03 (D. Patrick, U Wash. PI)/(Strauss R, NC Site PI) 04/01/2002-03/31/2005
 NIH/NIDCR \$192,461 (UNC Direct)
 Quality of Life among Youth with Craniofacial Conditions
 This project will study quality of life among adolescents (ages 11-18) and their parents with craniofacial conditions and acquired facial differences, such as burns. It is a five site research project that is
- Dental Pipeline Grant (**RP Strauss, PI**) 09/01/2002-08/30/2008
 Robert Wood Johnson Foundation \$1,350,000 (Direct)
 Project will enhance community-based dental education at UNC-CH and will help attract a more diverse student body to the School of Dentistry.
- U50/CCU422096 (Olshan) 09/01/2002-08/31/2009
 CDC \$718,855 (supplement \$109,883)
 North Carolina Center for Birth Defects Research & Prevention (A Parent Perspective on Cleft & Craniofacial Care Outcomes and Quality of Life in North Carolina)
 The goal of this study is to conduct birth defect ascertainment in North Carolina collaborate in national birth defect case control study and initiate North Carolina study of birth defect ecology and study. This supplement will review the parent's perception of youth (age 5-11 years) with and without cleft/craniofacial conditions in North Carolina.
- Award, (RP Strauss, PI) 11/2002–11/2006
 Kellogg Foundation & ADEA \$100,000 (Direct only)
 W.K. Kellogg Foundation and American Dental Education Association, Access to Dental Careers
 The purpose of this grant is to increase under-represented minority recruitment and enrollment at the UNC School of Dentistry.
- R21 TW006347-01 (Van Rie, Annelies, PI) 07/01/2003 – 06/30/2006
 Social Stigma of the New TB \$379,625 Total
 The purpose of this study to exam the relationship between TB and HIV in a multiethnic population in southern Thailand. Gender, faith, and social stigma will be studied for how they interrelate in the lives of persons living with HIV and TB.
- RO1-DE (Patrick D, U Wash. PI)/(Strauss R, NC Site PI) 06/01/2004-05/30/2007
 NIH/NIDCR
 Stigma and Quality of Life of Youth With Facial Differences
 This project will study stigma among adolescents (ages 11-18) and their parents with craniofacial conditions and acquired facial differences. It is a three site research project that is cross-cultural.

GRANT SUPPORT (in detail since 2000, Non-Active) continued

- U48-DP000059 (Ammerman) 09/30/2004-09/29/2009
 CDC \$421,423 (Core)
 UNC Center for Health Promotion and Disease Prevention
 HPDP is a research center focusing on population health issues, is committed to improving the health of the people of North Carolina and the southeast through interdisciplinary research, teaching and public service. Particular emphasis is paid to the needs of vulnerable and disadvantaged populations.
- 1 R01 MH069989-01A2 (Golin) 08/01/2005-07/31/2009
 NIH/NIMH \$1,800,452
 Promoting Safer Behavior among HIV-infected Viremic Patients.
 This is a randomized controlled trial of a motivational interviewing-based intervention to enhance safer sexual behaviors of people living with HIV compared with those receiving a nutritional program.
- 56550 (Strauss) 06/01/2006-06/30/2007
 Robert Wood Johnson Foundation \$49,988
 Academic Support for Rural, Low-Income & Minority Students Interested in the Health Professions
 This project conducts a formal curriculum review of the Medical Education Development Program (MED), provides a dedicated summer faculty instructor, to strengthen the tracking of student outcomes over time.
- 1R01NR010204-01A2 (Corbie-Smith) 09/18/2006-06/30/2012
 NIH/NINR \$300,801
 Project EAST: Increasing Access to HIV Trials for Rural Minorities, NIH/NINR
 This study seeks to gain a better understanding of the individual and community influences on research participation in HIV clinical trials which will result in innovative, theory based, culturally responsive interventions to increase minority representation.
 Role: Co-Investigator
- 1 R24 HD056670-01 (Henderson, PI) 08/01/2007-07/31/2012
 Partnership for Social Science Research on HIV/AIDS in China, NHI NICHD
 The capacity building program creates an integrated, efficient, and sustainable model of collaboration between social scientists at Peoples (Renmin) University and public health/medical researchers at the China CDC National Center for AIDS Prevention and Control, and the Nanjing National Center for STD Prevention and Control.
 Role: Co-Investigator
- 1R01NR011232-01A1 (Strauss, PI) 09/11/2008-06/30/2013
 A Partnership Initiative for HIV Prevention Trials, NIH/NINR
 The research addresses a critical question for the future success of vaccine, microbicide, pre-exposure prophylaxis (PREP) and other emerging HIV prevention technologies in the United States: How can we ensure that the community support and program capacity to evaluate and deliver new HIV prevention technologies are available where they are most needed in the United States?
 Role: PI UNC site (LINCS2 Durham)

GRANT SUPPORT (in detail since 2000, Non-Active) continued

PA-07-169 (Broder, PI) 09/01/2009-10/01/2014
Quality of Life in Children with Cleft, NIH
The overall aim of the study is to test whether there is a difference in oral health-related quality of life (OHRQoL) among children undergoing secondary cleft/craniofacial surgery.
Role: Consultant

5U01DD000696 (Strauss, PI)* 09/30/2010-09/29/2015
The North Carolina Cleft Outcomes Study, CDC
This study will examine social, academic, and school performance of school-aged children born in North Carolina with and without orofacial clefts. Will study cleft outcomes using a birth defects registry and includes the North Carolina Department of Health and Human Services, NC Department of Public Instruction, Duke University Medical Center, and the UNC Center for Health Promotion and Disease Prevention. The overall aim of this study is to improve the quality of life for children and families affected by an orofacial cleft by understanding (1) education and learning consequences; (2) needs for special services; (3) the timeliness and satisfaction with services, team care, and cost of care.
Role: PI

GRANT SUPPORT (Ongoing / Active)

**P30 AI50410 (Swanstrom R, PI) 08/01/2001-07/31/2016; 08/15/2016-07/31/2021; 2021-2026
Center for AIDS Research, NIH/NIAID (Cores A & G)**

This project is to establish and implement a Center for AIDS Research at UNC-CH, which will create opportunities for collaborative clinical and laboratory research into the causes and treatments of HIV/AIDS and associated infections or malignancies.

Roles:

- **Co-Director, Behavioral & Social Sciences Core (2001-2008);**
- **Co-Investigator (2008-present)**
- **Faculty Director, Office of Community Engagement (formerly SCEED Office) 2001-present**
- **Facilitator and Convener of Community Consultation Board (formerly Community Advisory Committee) (2001-present)**

(Strauss CV 6-2-23)
