Camp Celebrate May 17-19, 2019

Burn Aftercare is now accepting applications for the **Counselor in Training (CIT)** role for **CAMP CELEBRATE 2019**.

CIT's are a very important part of this exciting weekend, bridging the gap between camper and counselor. This is a great time to take on some responsibility, learn about leadership, become a role model and build your resume. We will give you the training and support you need to develop leadership skills while you have a great time making a difference in the lives of younger burn survivors. You know what it is like to have a burn injury, so this means you are uniquely qualified to help the younger kids.

CIT's must be 16, 17, or 18 and still in high school and, if accepted, must commit to attending mandatory orientation on May 16 and participating in all of **CAMP CELEBRATE**, including volunteer wrap up on Sunday afternoon, May 19. This does require missing 2 days of school. Most schools are supportive of this volunteer opportunity, and we are happy to communicate with them, if needed.

You are receiving this invitation because you have previously been a camper at **CAMP CELEBRATE** or because we really want you to get involved now! We can only take a limited number of CITs, and we will interview all candidates. If this opportunity is not for you, it is ok! We will be inviting you to teen camp in August.

Please consider joining us for this weekend of traditional fun camp activities while meeting other burn survivors your own age. Be an important part of **CAMP CELEBRATE**, the oldest burn camp in the United States! **This event is free for all campers and CIT's!** Camp takes place at the YMCA's Camp Kanata in Wake Forest, NC. This is our 38th year of camp, and our theme this year is *Harry Potter!*

To request a CIT application, please complete and mail in the response card or download the CIT application found on the North Carolina Jaycee Burn Center website

You can also e-mail me and I will send the link or forms to you! If you or your parents have any questions, please contact me for more information. **DO NOT WAIT! APPLY NOW!**

I look forward to hearing from you!
