

## Bariatric Surgery Intake Forms

Dear Prospective Patient,

Thank you for your interest in the Bariatric Program at UNC Healthcare. We are happy that you have made the first step in improving your health and look forward to working with you.

Please call your insurance company to find out if weight loss surgery is a **covered benefit**. If you need assistance we are happy to help. If you are considering paying out of pocket for the surgery, please call us so we can discuss options with you.

Complete the following paperwork, along with the medical release form, and mail it back to us at: *Division of Gastrointestinal Surgery, ATTN: Bariatric Coordinator, UNC Department of Surgery, CB# 7081, Chapel Hill, NC 27599-7081.*

Once we receive your application, we will set up an initial appointment for you at Meadowmont or Hillsborough.

On your initial appointment you will meet with a Nurse Practitioner and a Registered Dietitian. This intake visit does not guarantee surgery.

We help you schedule a mental health evaluation with our program psychologists, as well as any additional preoperative screenings or requirements.

A Nutrition Class is required.

Once you meet all of the requirements, we will set up an appointment for you to meet with one of the surgeons.

We look forward to meeting you,

Dr. Timothy Farrell  
Dr. D. Wayne Overby  
Dr. Marco Patti

Tara Zychowicz, Nurse Practitioner

Lisa Prestia RN, Bariatric Coordinator  
University of North Carolina Chapel Hill
