Department of Surgery
General Surgery Residency Program Policy
for Acknowledging Lab/Research Credit for Residents

This policy applies to Categorical Residents

The Department of Surgery will acknowledge up to 3 years of lab/research time to be calculated into the normal PGY clinical salary for residents appointed to the General Surgery Program. This policy applies only to UNC Hospitals General Surgery residents completing residency at UNC Hospitals. The maximum 3 years lab/research time does not necessarily have to be done at UNC.

If the resident is funded by the hospital, the department will be responsible for covering the pay difference. The GME office will submit an invoice to the department for that amount.
