

2022 Giving Guide

# give

making a difference together

## Dear Fellow State Employees,

Thanks to your generosity over the years, the SECC is a powerful force making a difference! Since the campaign began, state employee donors like you have contributed more than \$120 million to charities that make North Carolina a better place for all of us.

In 2021 we were humbled by your generosity. Despite the Covid-19 pandemic, employees across the state banded together to offer help in a tremendous time of need. Thank you for ensuring our nonprofit charities continue to stay open, provide much needed services, and strengthen our state and its communities.

When you contribute to the SECC, your donation joins other state employee donations to become a more powerful, impactful gift. Together, these gifts create an incredible difference – for the charities, those they serve, and our state as a whole.

We are proud to serve as your SECC Co-Chairs. We are inspired by your generosity, energized by the enthusiasm of our fellow SECC volunteers, and motivated by the powerful impact we have ALL made throughout the years.

This year, we are offered, again, the opportunity to make an even greater impact as the nonprofit charities, and the communities they serve, continue to need our support more than ever. **TOGETHER, we can be the difference for them and our state.**

We look forward to accomplishing great things this year! Thank you for helping us *Make A Difference Together*.

With Gratitude,

**Jonathan Kappler**  
Chief of Staff  
Health & Human Services

**Betty Marrow-Taylor**  
Chief Diversity, Equity, & Inclusion  
Officer for the NC Department of  
Commerce

The State Employees Combined Campaign (SECC) is by and for North Carolina's employees. It provides a convenient, efficient, and trusted way to give to causes important to our local communities, state, and world. More than 825 charities were vetted and meet standards of charitable accountability for giving in 2022.

Thank you to Jonathan Kappler, Chief of Staff, DHHS and Betty Marrow-Taylor, Chief Diversity Equity Inclusion Officer, Commerce for your leadership and support as our 2022 Campaign Co-Chairs!

EarthShare North Carolina is honored to join Jonathan, Betty and the many volunteers as the managing partner of the SECC. EarthShare NC is a coalition of local, state, and national nonprofits working for the health and wellbeing of our state and people by protecting the natural environment on which we all depend. We have over 30 years of employee giving campaign management experience, and our goal is to make it easy to invest in your community. We are here to help you find your cause, share your stories, and make a difference together.

Executive Director

# Making a Difference Together...

Your co-workers and fellow state employees collectively donated over \$2.6 Million in 2021.

Why? Let them tell you!

I donate and volunteer because it is a safe, secure, & easy way to monetarily give to NC nonprofit organizations in need. It is a way for me to demonstrate the passion, & commitment I have for my community.

**Sterling Johnson**  
Dept. of Transportation

I support the SECC because I know the organizations that benefit from the campaign truly make a difference in our communities.

**Cale Johnson**  
Dept. of Revenue

I volunteer with the SECC because I wish to spread happiness, joy, & a helping hand to those that need it.

**Ricky "Shane" Seeley**  
Dept. of Public Safety

I support the SECC because in 2019 my sister & I stayed at the SECU Hospitality House in Winston Salem when our mother was being treated at Baptist hospital. They were a life saver for my family during this difficult time.

**Becky Werts**  
Dept. of Health & Human Services

I donate and volunteer in memory of my father who passed away from lung cancer!

**Quentin Gunter** Winston-Salem State University

Growing up, I was a recipient of some of these programs, so giving back is important to me. SECC makes it easy.

**Tabitha Groelle**  
NC State University

## Did You Know?

### The SECC is Greener already!

We reduced printing by 25% in 2021, and are reducing printing again by 25% this year.

For giving guides that are printed, we are ensuring Forest Service Certified sourcing of paper for all materials.

This means using less energy and water, producing lower carbon emissions, and ensuring that we are investing in responsibly managed forests that provide environmental, social, and economic benefits.

# Facts & Questions

## **Who can contribute?**

All state employees and retirees are eligible to participate. If you are not eligible for payroll deduction you may give by cash, check, credit card, or stock transfer gift. Payroll deduction minimum is only \$3 per month. Less than \$1 a week to support your favorite charity!

## **Are my contributions tax-deductible?**

Yes. Keep a copy of your pledge form or print your ePledge confirmation email. You may need additional documentation to support your contribution depending on the amount you pledge. Consult your accountant or tax advisor for more information.

## **What is the duration of my payroll deduction and when does it begin?**

Deductions begin January 2023 through December 2023.

## **What happens to my contribution if I don't designate a specific charity?**

The SECC's rules specify that all undesignated gifts be proportionately distributed to those charities receiving designations. For example, if Charity A receives 5% of designated pledges, then Charity A will also receive 5% of undesignated pledges.

## **Is there a minimum donation to designate a charity?**

Yes. The minimum donation to designate your gift to a charity is \$10. If you donate less, your contribution will be undesignated.

## **How is my personal information shared?**

Only the information you provide (name, email and/or address and amount pledged) is shared with your designated charity or charities. You may remain anonymous (opt-out) by checking the box found on the pledge card or ePledge site.

## **What is the administration cost of the campaign?**

The SECC's low administrative cost (11% of the prior year's campaign) is a lower percentage than most charities spend on fundraising and administrative costs themselves.
