B. Discussion (10 minutes)

Topic	Presenter	Time	Details/Follow-up
Application Phase	Kyle	10 min	<p>What questions still remain?</p> <p>Were the three sites presented fairly/evenly?</p> <ul style="list-style-type: none"> • Chapel Hill didn't have as much "spark" -

			<p>video, promises of ultrasound → people got impression they needed to go away to get “quality” med education. Next year they should try to be more equally represented instead of adversarial</p> <ul style="list-style-type: none"> ● turnout 50 for central application ● consider advertising for “central” as advertising for “UNC SOM” proper ● trying to move interview process up to give people more time to think ● Foundation phase students did not understand application phase until that presentation → try to talk about timeline, brief overview even at orientation ● allow people to visit site during a clinical week → people felt that they had to go visit and were making individual appts ● Foundation phase students say they wish they had more warning about the timeline but know to be flexible ● Impression is that 2x as many students applied to Asheville and that Asheville well represented
