

Happy New Year!

January 12, 2010

Holiday Food Drive

Thanks to all you kind people who donated items to the holiday food drive! UNC SOM collected over 500 items for the Food Bank of Eastern and Central North Carolina during an especially tough holiday season. The amount of food and other items collected was amazing, especially given the short notice. Awesome job.

Upcoming deadlines/dates

January 13: Application deadline for the Salber-Phillips Award

January 15: Application deadline for the Zollicoffer Fellowship

February 1: Application deadlines for the Albert Schweitzer Fellowship, Becton-Tannenbaum Fellowship, Perkins-Burke Fellowship, and UNC International Fellowships.

February 5: Winter Gala

February 15: Application deadline for the Joan F. Giambalvo Scholarship

Each year, The New York Academy of Medicine offers the Paul Klemperer Fellowship in the History of Medicine.

The Klemperer Fellowship supports research using the NYAM Library's resources for scholarly study of the history of medicine. It is intended specifically for a scholar in residence at the NYAM Library. To see a list of recent fellows, click [here](#).

Each Klemperer fellow receives a **stipend of \$5,000** to support travel, lodging and incidental expenses for a flexible period between June 1, 2010 and May 31, 2011. Besides completing a research project, each fellow will be expected to make a public presentation at NYAM and submit a final report. We invite applications from anyone, regardless of citizenship, academic discipline, or academic status. Preference will be given to (1) those whose research will take advantage of resources that are uniquely available at NYAM, and (2) individuals in the early stages of their careers.

The selection committee, comprising prominent historians and medical humanities scholars, will choose the fellow from the pool of applications. These fellowships are awarded directly to the individual applicant and not to the institution where he or she may normally be employed. None of the fellowship money is to be used for institutional overhead.

Applications must be received by NYAM by Tuesday, March 2, 2010; candidates will be informed of the results by May 4, 2010.

Application [forms and instructions](#) are available [online](#). Potential applicants for either fellowship are encouraged to visit the [NYAM website](#) to further acquaint themselves with NYAM and its library. When using the online catalog of the NYAM Library, please be aware that entries for a considerable portion of the collections have not yet been converted to electronic form.

Requests for application forms (for those unable to access the forms through the web) or further information should be addressed to:

The [Bullitt History of Medicine Club](#) is pleased to announce the **2010 McLendon-Thomas Award in the History of Medicine**, which is open to all UNC-Chapel Hill students in the health sciences.

Purpose

To encourage interest and recognize scholarship in the history of medicine, the **McLendon-Thomas Award in the History of Medicine**, with a **prize of \$500**, will be given annually for the best unpublished essay on an historical topic in the health sciences.

Eligibility

Any current medical, dental, pharmacy, nursing, public health, or allied health sciences student at the University of North Carolina at Chapel Hill may submit an essay. Prior winners are not eligible.

Format

The essay may address any aspect of the history of the health sciences and should be 3000-5000 words in length.

Judging

Faculty advisors of the Bullitt History of Medicine of Club will assemble a team of faculty members from various departments to judge the scholarship and quality of the submissions. The winner will be encouraged to present the essay at a program of the Bullitt Club.

Submissions

Entries must be submitted on or before **April 1, 2010**. Entries should be sent electronically via email attachment to [Dr. Elizabeth Dreesen \(Elizabeth_Dreesen@med.unc.edu\)](mailto:Elizabeth_Dreesen@med.unc.edu).

The [Foundation for the History of Women in Medicine](#) is pleased to offer [two fellowships](#) to support research related to the history of women in medicine at the [Countway Library's Center for the History of Medicine](#) and its [Archives for Women in Medicine](#).

The Foundation will provide two \$2000 grants to support travel, lodging, and incidental expenses for a flexible period between June 1, 2010 and May 31, 2011. In return, the Foundation requests a one page report and a copy of the final product as well as the ability to post excerpts from the paper/project, as well as a photo and bio of the Fellow on our website www.fhwim.org.

Foundation Fellowships are offered for research related to the history of women in medicine. Preference will be given to projects that deal specifically with women physicians or other health workers or medical scientists, but proposals dealing with the history of women's health issues may also be considered.

The fellowship proposal should demonstrate that the Countway Library has resources central to the research topic. Preference will also be given to those who are using collections from the Archives for Women in Medicine, but research on the topic of women in medicine using other material from the Countway Library will be considered. Preference will be given to applicants who live beyond commuting distance of the Countway, but all are encouraged to apply, including graduate students.

Applicants should submit a proposal (no more than two pages) outlining the subject and objectives of the research project, length of residence, historical materials to be used, and a project budget (including travel, lodging, and research expenses), along with a curriculum vitae and two letters of recommendations **by March 1, 2010**. The decision should be made by May 1st, 2010.

Applications should be submitted to:

Foundation Research Fellowships
Archives for Women in Medicine
Center for the History of Medicine
