

Application Phase Committee Meeting 10/7/19

I. Absence Policy Task Force

- Student recommendations for absence threshold requiring repetition of a block presented
- Faculty will be taking this into account when re-creating policies

II. Trimester 1 Course Feedback and LCME accreditation

- Surgery will implement Direct Observation Cards in Surgery to increase observed H&P in Trimester 3
- Discontinuity on reality and student perception on mid-block feedback and duty hours
- LCME form is outdated compared to current UNC curriculum that focuses on a course-based year instead of a clerkship-based year
