

Bloomer Hill Rural Health Clinic

What is Bloomer Hill?

- Bloomer Hill is a **free** clinic located in Whitakers, NC.
- On the first Saturday of each month, UNC medical students and an attending physician travel to Whitakers to provide much needed medical services to the community of Whitakers.
- Clinic runs from **9am-1pm**.
- No car? We have you covered!

Services we provide:

- General walk-in visits
- Blood sugar, blood pressure, weight, and temperature checks
- Labs (we draw them in clinic!)
- Referrals to UNC network
- Write new scripts/Refill Rx

Bloomer Hill is a unique opportunity because we...

- We get to serve an underserved community on a regular basis.
- We serve as the medical providers and operate the clinic each month.
- We address health disparities that exist in rural NC.
- Opportunity to take as an elective!

We need you! The community of Whitakers needs you! Join us for clinic beginning September 12th. If you are interested, please contact Miranda Crouch (MS2, miranda_crouch@med.unc.edu) and Kandis Fogleman (MS2, kandis_fogleman@med.unc.edu)
