WHAT IS STOP THE BLEED?

A national initiative to teach the public how to stop life-threatening bleeding!

WHO IS UNC STOP THE BLEED?

We are an interdisciplinary team of students from UNC School of Medicine, UNC Gillings School of Global Public Health and the UNC ACERIP EMS Education Program!

WHAT DO WE DO?

We teach life-saving bleeding control techniques!

We connect with our peers on campus and our neighbors in the surrounding community through education and outreach!

We work with UNC leadership to improve public safety infrastructure on campus!

Please join us during the Virtual Activity Fair to learn more!
