## *Anatomy Memorial Service*

The UNC School of Medicine would like to thank the donors and their loved ones for their invaluable contributions to our medical education. We will continue to use the knowledge they passed to us as we move through our practice and serve patients. Thank you for supporting the next generation of healthcare providers.

Though we will not be physically together for this year's service, we hope to still create a virtual experience that memorializes the donors and creates a space where our community can honor them together.

---

## *Schedule of Events*

*Welcome from Class of 2024*  
Class Co-Presidents  
**Rayad Shams and Isaac Sluder**

*Instructor's Perspective*  
Anatomy Course Director
