

- Introductions
  - Welcome to Dr. Glassman, new Senior Director for Student Affairs
- Approval of July meeting minutes
- Student Check In
  - Students in block 7
  - Students working on ERAS applications including supplemental applications
- Campus Check In
  - Raleigh- no updates
  - Wilmington- no updates
  - Charlotte- no updates
  - Asheville- have scheduled 16 mock interviews for Indy Phase students, have upcoming dinner event for App/Indy Phase students to meet with program directors
  - GSO- no one in attendance
- Dashboard
  - Grades being released in timely manner
  - 4 new Charlotte courses approved
- Reporting of student COVID positive results
  - Now use link on SOM Student Covid webpage to submit positive test -> will get standardized campus health email, but our number of days out depends on our clinical site
  - Out for number of days required at their clinical site
  - Submit administrative excuses for these positive tests
  - Make up for this time is dependent on course director's instruction
- Canvas project
  - Transition from Sakai to Canvas in March 2023 with class of 2024
  - Will have new Canvas Individualization Phase site open in November 2022
- Course Reviews: Electives and TTR
  - Electives Review 2021-2022 with Dr. Claire Larson
    - Improvement in preceptor observation of history & physical examination, especially in 4-week courses
    - Duty hours: majority are 30-50 hours, higher duty hours in away electives (which are actually acting internships)
    - Very few reports of mistreatments
    - High scores for overall experience, clinical teaching, work w/in duty hours, learning objectives & competencies
    - Room to improve in clinical supervision and assessment, direct observation of skills (history & physical exam)
  - Transition to Residency Review 2021-2022 with Dr. Li
    - Clinical knowledge and preparation for transition from medical school to residency
    - Nice reviews on lectures and specialty-specific bootcamps
    - Room for growth on interprofessional education experiences, coordination of skills sessions
    - Looking to revise this course in the coming years
- Goal for Indy Phase Committee over next year: improve guidance on what Individualization courses to select/schedule
